

## Options we are considering

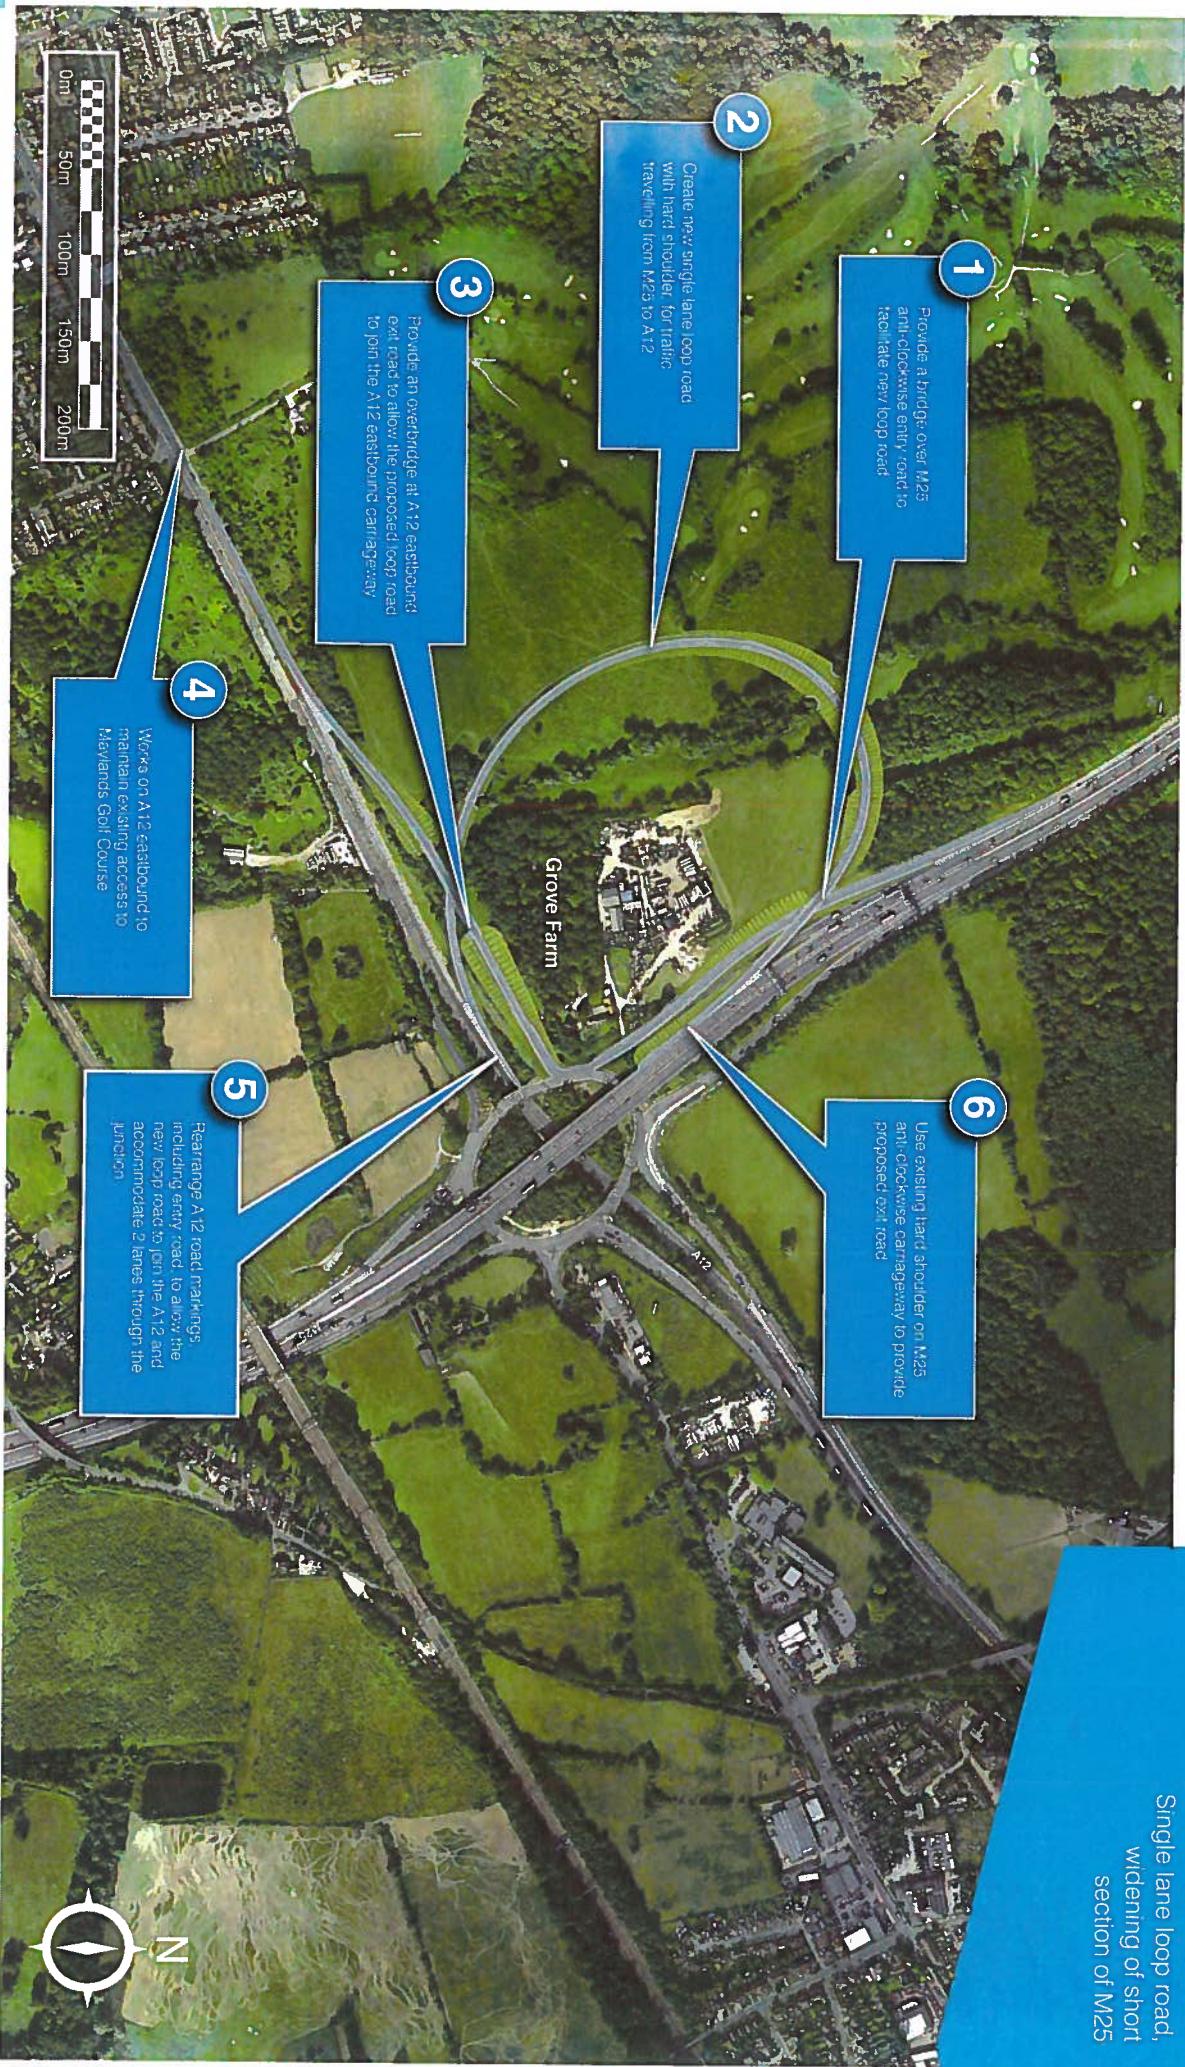

We are consulting on 3 options. All options will divert traffic away from the roundabout, with a new dedicated loop road between the M25 and the A12, but each option requires a different approach to achieve this.

## Option 5C

Single lane loop road,  
widening of short  
section of M25

## Option 5F

2 lane loop road, widening of short section of M25, reconfiguration of A12
