Guidelines on filming, photography, recording and use of social media at council and committee meetings

The council welcomes the filming, photography, recording and use of social media at council and committee meetings as a means of reporting on its proceedings because it helps to make the council more transparent and accountable to its local communities.

Where members of the public use a laptop, tablet device, smart phone or similar devices to make recordings, these devices must be set to 'silent' mode to avoid interrupting proceedings of the council or committee.

If you wish to record the proceedings of a meeting and have any special requirements or are intending to bring in large equipment then please contact the Communications Team before the meeting.

The use of flash photography or additional lighting may be allowed provided it has been discussed prior to the meeting and agreement reached to ensure that it will not disrupt proceedings.

The Chair of the meeting may terminate or suspend filming, photography, recording and use of social media if any of

these activities, in their opinion, are disrupting proceedings at the meeting.

Private Session

Occasionally meetings will need to discuss some of its business in private. This can only happen on a limited range of issues, which are set by law. When a Committee does so, you will be asked to leave the meeting.
