The use of flash photography or additional lighting may be allowed provided it has been discussed prior to the meeting and agreement reached to ensure that it will not disrupt proceedings.

The Chair of the meeting may terminate or suspend filming, photography, recording and use of social media if any of these activities, in their opinion, are disrupting proceedings at the meeting.

Licensing and Appeals Committee

Licensing Sub-Committee Hearing in respect of an Application to Transfer a Premises Licence Licensing Act 2003

THE RAJ. 21 KINGS ROAD, BRENTWOOD CM14 4DJ

Report of: Dave Leonard – Licensing Officer

Wards Affected:Brentwood West

This report is: Public

1. Executive Summary

1.1 An application has been received from Mr Kalam Ullah to transfer the premises licence at *The Raj, 21 Kings Road, Brentwood CM14 4DJ*. Essex Police have objected to the transfer on the grounds of the Prevention of Crime and Disorder.

2. Recommendation(s)

2.1 That the Sub Committee:

Considers this report and appendices together with any oral submissions at the hearing and determines the application for the transfer of the premises licence in line with either of the following options:

- allow the application to transfer;
- raject the application to transfer.

3. Introduction and Background

- 3.6 Section 42 Licensing Act 2003, allows any person entitled to apply for a Premises Licence under 16(1) Licensing Act 2003, to make an application to transfer an existing Premises Licence to him.
- 3.2 In exceptional circumstances where the chief officer of police believes the transfer may undermine the crime prevention objective, the police may object to the transfer. The Home Office (immigration Enforcement) may object if it considers that granting the transfer would be prejudicial to the prevention of illegal working in licensed premises.
- 3.7 The premises licence at *The Raj, 21 Kings Road, Brentwood CM14 4DJ* was previously held by Badsha Miah.
- 3.8 This application to transfer has interim effect until this objection is determined. This means that the transfer is allowed to take place temporarily until this objection is determined by this committee.
- 3.9 The current premises licence authorises the sale of alcohol for consumption by such a person as an anciliary to his meal on the premises:

Monday-Saturday 11.00 to 00.00 and Sunday 12.00 to 23.30

A copy of the premises licence*, together with a plan of the premises & location map, is attached as Appendix 2.

On 5 December 2018, Essex Police applied to Review the premises licence under the statutory crime prevention objective that includes the prevention of immigration crime and the prevention of lilegal working in licensed premises. The decision of the subsequently convened Licensing Sub-Committee hearing on 24 January 2019 was to revoke the premises licence. An appeal against this decision was received on 13 February 2019 and a hearing date awaits.

- 4. The Application
- 4.1 On 12 February 2019, Kalam Uliah submitted an online application with the intention to take transfer of the premises licence from Badsha Mlah. A copy of the application to transfer the premises licence is attached as Appendix 1.
- 4.3 The Licensing Act 2003 allows for the chief officer of police for the police area in which the premises are situated, if he is satisfied that the exceptional circumstances of the case are such that the granting of the application would undermine the crime prevention objective, to raise objection within 14 days of receiving the application.

4.4 On 25 February 2019, Essex Police submitted an objection to the premises licence being transferred to Kaiam Uliah on the grounds of the prevention of crime and disorder. The representation is attached as Appendix 3.

5. Reasons For Recommandation

5.1 These are the options available to the Sub-Committee as provided in the Licensing Act 2003.

6. Consultation

6.1 This application has been consulted on in accordance with the requirements of Licensing Act 2003.

7. Statement of Licensing Policy

7.1 There are no specific issues arising from this application in relation to the Council's Statement of Licensing Policy.

8. Relevant Sections of the Sacratary of State's Guidance

8.1 The following Sections 182 Guidance relates to transfer applications;

(8.101) in exceptional circumstances where the chief officer of police believes the transfer may undermine the crime prevention objective, the police may object to the transfer. The Home Office (immigration Enforcement) may object if it considers that granting the transfer would be prejudicial to the prevention of illegal working in ilcensed premises. Such objections are expected to be rare and arise because the police or the Home Office (immigration Enforcement) have evidence that the business or individuals seeking to hold the licence, or businesses or individuals linked to such persons, are involved in crime (or disorder) or employing lilegal workers.

(8.102) Such objections (and therefore such hearings) should only arise in truly exceptional circumstances. If the licensing authority believes that the police or the Home Office (immigration Enforcement) are using this mechanism to vet transfer applicants routinely and to seek hearings as a fishing expedition to inquire into applicants' backgrounds, it is expected that it would raise the matter immediately with the chief officer of police or the Home Office (immigration Enforcement).

9. Legal Considerations

- 9.1 The committee, after considering the application to transfer and the relevant objection, will need to consider to either:
 - allow the application to transfer;
 - reject the application to transfer.

- 9.2 The decision made by the committee will take immediate effect; the chief officer of police may appeal against a decision to grant the application. The applicant may appeal the decision to refuse the application.
- 9.3 In determining this application to transfer the premises licence, the Sub-Committee should have regard to the Council's Statement of Licensing Policy and to the guidance issued by the Secretary of State under s182 of the Licensing Act 2003.
- 9.4 The Sub-Committee are advised that the hearing is of a quasi-judicial nature and representations from all parties both written and verbal will form part of matters that are to be considered. Findings on issues of fact should be on the balance of probability.
- 9.5 The Sub-Committee are advised that the final decision should be based on the individual merits of the application and findings of fact made at the hearing.

Mr P Adams Licensing Department Brentwood Borough Council Town Hall Ingrave Road Brentwood CM15 8AY

Essex Police Licensing Department Braintree Police Station Blyths Meadow Braintree CM7 3DJ

25th February 2019

Dear Mr Adams,

APPLICATION TO TRANSFER PREMISES LICENCE (S42 LICENSING ACT 2003)

The Raj, 21 Kings Road, Brentwood, CM14 4DJ is a family run business whose existing licence was issued in 2005. Those involved in running and profitting from the restaurant remain the same today as they have been for several years – despite this application to transfer the licence immediately to Kalum ULLAH.

The application purports to be a new start with an applicant unconnected with how the premises has been run in recent years leading to its revocation in January 2019 -- it is not. There are clear associations between what Essex Police contend is still the principal mind Badsha MIAH (outgoing Premises Licence Holder and current Designated Premises Supervisor) and the applicant (Kalum ULLAH).

Essex Police objects to the transfer under the crime and disorder objective, which includes the prevention of lilegal working.

Case law details that the Licensing Act 2003 is a 'prospective' looking piece of legislation whose intent is to prevent criminality from occurring when that is a likelihood.

The outgoing Premises Licence Holder facilitated a criminal offence taking place. Essax Police believe there are clear associations between the old and new Premises Licence Holder; and suggest the employment of illegal workers and failure to conduct right to work checks will continue. The sub-committee is entitled to exercise common sense and its own judgement based on the life experiences of its members.

On 20th November 2018 The Raj was subject of an intelligence led operation conducted by immigration Enforcement and Compliance officers. On that occasion 5 illegal workers were discovered at the premises, one of whom had been detained at the same premises in 2014 for lilegally working and who had subsequently absconded whilst an application for leave to remain was under consideration.

As in 2014, on the date of the latest enforcement operation the premises licence holder and designated premises supervisor was Badsha MIAH.

Since 2004 both the pre-existing premises licence holder (Badsha MIAH) and the applicant for this transfer (Kalam ULLAH) have shared a close financial interest in the premises and Essex Police believe there are familial relationships between the two.

There has already been one unsuccessful attempt to transfer the licence to the nephew of Badsha MIAH; since the premises licence was the subject of a review application that attempt was rejected by a previous sub-committee.

.

It is the contention of Essex Police that this application is another attempt to allow the family to continue to run the premises and that Badsha MIAH remains the primary mind in how the premises will be run. It is Essex Police's view that the employment of illegal workers (an undermining of the crime and disorder objective) will continue should this transfer take place.

The Chief Officer of Police hereby objects to the proposed transfer and proposes to adduce further documentary and other material ahead of the hearing date in accordance with the statutory guidance and the relevant Hearing Regulations.

Please advise me of when the Licensing Panel will be meeting to hear this so representatives of the Chief Officer of Police can be in attendance.

Yours sincerely,

lone.

- 1.0 Outline of circumstances leading to the objection to transfer the premises licence.
- 1.1 The grounds for objection are that the crime and disorder objective of the Licensing Act has been undermined in that Immigration Compliance and Enforcement officers of the Home Office discovered disqualified persons working illegally on the premises. Paragraph 11.26 Guidance for Licensing Authorities to Prevent Illegal Working in Licensed Premises in England & Wales (6 April 2017, Home Office).
- 1.2 The statutory crime prevention objective in the 2003 Act includes the prevention of immigration crime and the prevention of lilegal working in licensed premises. In particular, employing a person who is disqualified from work by reason of their immigration status is a criminal activity which, according to the Home Office Guidance to the Licensing Act 2003, should be treated "particularly seriously".
- 1.3 On Tuesday 20th November 2018 Immigration Compliance & Enforcement (ICE) officers attended The Raj, 21 Kings Road, Brentwood, Essex, CM14 4DJ. They entered using their powers under section 179 Licensing Act 2003.
- 1.4 Immigration Officers conducted checks of those present and found a total of five persons listed as Immigration offenders with no permission to remain or work in the United Kingdom. Document 1 is a statement from the Chief Immigration Officer summarising the offenders.
- 1.5 With the evidence obtained a Notice of Potential Liability (NOPL) to a civil penalty of up to £20,000 per lilegal worker was served in respect of these illegal workers.
- **1.6** The premises has previously been found to be employing illegal workers and was subject to an immigration enforcement operation on 23rd April 2014 when 3 of the 5 workers present at that time were found to be immigration offenders. Contemporary records pertaining to that operation show the manager at that time to be the same Badsha (Bad ha) MIAH, still in post at the most recent immigration enforcement operation. (Document 1).
- 1.7 Essex Police subsequently applied for a review of the premises licence and at a subcommittee hearing on 24th January 2019 the premise licence was revoked.
- 1.8 A mere 13 working days after this latest immigration enforcement and 2 days after applying for the review; an application was made to transfer the Premises Licence to Jetu MIAH. Essex Police objected to this and at a sub-committee hearing on 17th January 2019 the application was rejected.
- 1.9 Essex Police object to transfer the premises licence to Kalam ULLAH as land registry records show that he with the outgoing premises licence holder Badsha MIAH is part leaseholder and has been since 7th September 2004. Document 2 is a Land Registry extract.
- 1.10 It is therefore reasonable to adduce that ULLAH already has a financial interest in the premises with MIAH and has some control over the premises and therefore was implicit in the employment of illegal workers.

- 1.11 MIAH remains a leaseholder; and therefore regardless of this transfer remains financially linked to the premises and Essex Police suggest will remain involved in the operation of the premises.
- 1.12 It is worth noting there are multiple companies active on Companies House connected to the premises address
 - The Raj Brentwood Ltd was incorporated on 1st October 2018. Document 3 shows the sole director and majority shareholder is Mr Badsha MIAH. With shares to the value of £10,000.
 - The Raj CM14 Ltd was incorporated on 27th November 2018. Document 4 shows the sole director and majority shareholder is Mr Jetu MIAH. With shares to the value of £100.
- 1.13 Essex Police Licensing also brings to your attention that the alleged 'new' owner Mr Kalam ULLAH is the older brother of Mr Badsha MIAH. Document 5 is an extract of a Pocket notebook entry of Mr David LEONARD, Licensing Officer for Brentwood Borough Council. In it he records serving the aforementioned review application upon Mr ULLAH in the absence of Mr Badsha MIAH; recording the relations between Mr Badsha MIAH, Mr Kajam ULLAH and Mr Jetu MIAH.
- 1.14 Given the information to hand and provided within, it is no stretch to conclude that the controlling party remains Mr Badsha MIAH and that the transfer is to Kalam ULLAH who is the current licence holder Badsha MIAH's older brother, has been put up as a front to attempt to deceive the Licensing Committee and avoid business limiting action.
- 1.15 it is contended that nothing has changed at the premises and that Mr Badsha MIAH remains the owner of the premises taking an active interest.
- 1.18 It is also pointed out that as shown in Document 1, that this is the 2nd occurrence of illegal workers being found at this premises whilst Badsha MIAH and Kalam ULLAH have been leaseholders of the premises.
- 1.17 This transfer is not a change of operational management and the total disregard for the framework of regulatory legislation is liable to continue if the transfer were to be granted. The Licensing Act 2003 is prospective (what is likely to happen) (see East Lindsey District Council v Abu Hanif (t/a Zara's restaurant and take away) [2016] EWHC 1265 Admin. (Appendix 8.11).
- 1.18 One only has to look at what has happened in the past to glimpse what is likely to happen in the future. On two occasions illegal workers were found at the premises. The pre-existing licence holder and DPS is the joint leaseholder and brother of the applicant for this transfer. This was and remains a joint business venture and the controlling mind will remain as Badsha MIAH – the person responsible for employing a number of illegal workers.
- 1.19 The Licensing Authority is required to take steps to promote the prevention of crime and disorder (which includes illegal working) and Essex Police would ask that the subcommittee rejects the transfer of the premises licence.

2.0 Immigration Offences

- 2.1 Illegal workers are those subject to immigration control who either do not have leave to enter or remain in the UK, or who are in breach of a condition preventing them taking up the work in question. It is an employer's responsibility to be aware of their obligations and ensure they understand the immigration landscape to avoid the risk of prosecution, the imposition of a civil penalty or the revocation/suspension of their premises licence.
- 2.2 Since 1996 it has been unlawful to employ a person who is disqualified from employment because of their immigration status. A statutory excuse exists where the employer can demonstrate they correctly carried out document checks, i.e. that they were duped by fake or forged documents.
- 2.3 The Immigration Act 2016 came into force in July 2016 and its explanatory notes state that "these offences were broadened to capture, in particular, employers who deliberately did not undertake right to work checks in order that they could not have the specific intent required to 'knowingly' employ an illegal worker".
- 2.4 Since 2016 an employer may be prosecuted not only if they knew their employee was disqualified from working but also if they had reasonable cause to believe that an employee did not have the right to work: what might be described as *wilful ignorance'*, where either no documents are requested or none are presented despite a request. This means an offence is committed when an employer 'ought to have known' the person did not have the right to work.
- 2.5 Since 2016 it has also been an offence to work when disqualified from doing so. It is obvious that without a negligent or wilfully ignorant employer, an illegal worker cannot work. Such an employer facilitates a criminal offence and Essax Police highlights this as relevant irrespective of whether a civil penalty is imposed or a prosecution launched for employing an illegal worker.
- 2.6 In this context, under section 3(1)(C)(i) Immigration Act 1971 (as amended by the 2016 Act) restrictions are not limited simply to employment (i.e. paid work) but now includes all work.
- 2.7 Thus an individual with no right to work in the UK commits offences if they undertake paid or unpaid work, paid or unpaid work placements undertaken as part of a course etc. are self-employed or engage in business or professional activity. For instance, undertaking an unpaid work trial or working in exchange for a non-monetary reward (such as board and iodging) is working illegally and is a criminal offence committed by the worker and facilitated by the 'employer'.

3.0 Statutory Guidance (s182 LA 2003) and the Authority's Licensing Policy

3.1 Whilst this is an objection to a transfer, Essex Police believes that part of the guidance relating to reviews is appropriate in considering whether allowing this transfer would undermine the licensing objective of preventing crime and disorder, which includes illegal working. In particular; Essex Police submits that paragraphs 11.24 – 11.29 of the Guidance is relevant.

3.2 Paragraph 11.26

Where the licensing authority is conducting a review on the grounds that the premises have been used for criminal purposes, its role is solely to determine what steps should be taken in connection with the premises licence, for the promotion of the crime prevention objective. (...). The licensing authority's duty is to take steps with a view to the promotion of the licensing objectives and the prevention of illegal working in the interests of the wider community and not those of the individual licence holder.

- 3.3 Thus the financial hardship occasioned by the existing revocation of the premises licence should not sway the sub-committee but instead it should look at what is appropriate to promote the objective within the wider business and local community given "illegal labour exploits workers, denies work to UK citizens and legal migrants and drives down wages" (Rt. Hon James Brokenshine, Immigration Minister on the introduction of the 2016 Act).
- 3.4 Paragraph 11.27 of the Guidance states:

There is certain criminal activity that may arise in connection with licensed premises which should be treated particularly seriously. These are the use of the licensed premises (...) for employing a person who is disqualified from that work by reason of their immigration status in the UK.

Essex Police would draw the sub-committee's attention to the change in wording of this paragraph following the April 2017 revision of the guidance, where the previous reference to 'knowingly employing' was removed.

3.5 Paragraph 11.28 of the Guidance states:

It is envisaged that licensing authorities, the police, the Home Office (Immigration Enforcement) and other law enforcement agencies, which are responsible authorities, will use the review procedures effectively to deter such activities and orime. Where reviews arise and the licensing authority determines that the crime prevention objective is being undermined through the premises being used to further crimes, it is expected that revocation of the licence — even in the first instance —should be seriously considered.

Essex Police considers this paragraph self-explanatory; where an enterprise employs illegal workers it is the duty of Essex Police to work with Immigration Enforcement to bring forward reviews and for the authority to consider revocation in the first instance.

3.6 In support of this statement; Essex Police would draw the sub-committee's attention to the "Guidance for Licensing Authorities to Prevent Illegal Working in Licensed Premises in England and Wales" (Home Office)[April 2017] where at section 4.1 it states; "It is envisaged that licensing authorities, the police, Home Office (Immigration Enforcement) and other law enforcement agencies will use the review procedures effectively to deter illegal working".

- 3.7 Since the main draw for illegal migration is work, and since low-skilled migrants are increasingly vulnerable to exploitation at the hand of criminal enterprises, the government has strengthened enforcement measures and the statutory Guidance to deter illegal workers and those that employ them.
- 3.8 Deterrence is a key element of the UK government's strategy to reduce illegal working and is supported by both the Guidance and Case Law,
- 4.0 Case Law
- 4.1 Deterrence as a legitimate consideration by a licensing sub-committee has been considered before the High Court where remedial measures (such as the imposition of additional conditions) were distinguished from legitimate deterrent (punitive) measures such as revocation.
- 4.2 R (Bassetlaw District Council) v Worksop Magistrates' Court; [2008] WLR (D) 350. Issues relevant to the case before today's sub-committee which were considered in the Bassetlaw judgement included whether a licensing authority was restricted to remedial action (as opposed to punitive action such as revocation); and the precedence of wider considerations than those relating to an individual holder of a premises licence when certain criminal activities (as specified in the Guidance) took place.
- 4.3 It specifically examined (and set aside in the case of 'certain activities') those parts of the Guidance now contained within paragraph 11.20 and 11.23, viz.

In deciding which of these powers to invoke, it is expected that licensing authorities should so far as possible seek to establish the cause or causes of the concerns that the representations identify. The remedial action taken should generally be directed at these causes and should always be no more than an appropriate and proportionate response to address the causes of concern that instigated the review.

However, it will always be important that any detrimental financial impact that may result from a licensing authority's decision is appropriate and proportionate to the promotion of the licensing objectives and for the prevention of lilegal working in licensed premises.

4.4 In her judgement, Mrs Justice Slade stated (at 32.1 & 33.1 of the citation):

"Where criminal activity is applicable, as here, wider considerations come into play and the furtherance of the licensing objective engaged includes the prevention of crime. In those circumstances, deterrence, in my judgment, is an appropriate objective and one contemplated by the guidance issued by the Secretary of State. (...) However, in my judgment deterrence is an appropriate consideration when the paragraphs specifically directed to dealing with reviews where there has been activity in connection with crime are applicable." 4.5 East Lindsey District Council v Abu Hanif (Trading as Zara's Restaurant and Takeaway), [2016] EWHC 1265 (Admin)

This is a recent High Court decision (published April 2016) which has established that in considering whether the licensing objectives may be undermined one should look at what is likely to happen in the future.

4.6 The case reaffirms the principle that responsible authorities need not wait for the licensing objectives to actually be undermined; that crucially in considering whether the crime prevention objective has been engaged or likely to be engaged a prospective consideration (i.e. what is likely to happen in the future) of what is warranted is a key factor. It also reaffirmed the case of *Bassetlaw* in concluding that deterrence is a legitimate consideration of a sub-committee.

Mr Justice Jay stated: "The question was not whether the respondent had been found guilty of criminal offences before a relevant tribunal, but whether revocation of his licence was appropriate and proportionate in the light of the salient licensing objectives, namely the prevention of crime and disorder. This requires a much broader approach to the issue than the mere identification of criminal convictions. It is in part retrospective, in as much as antecedent facts will usually impact on the statutory question, but importantly the prevention of crime and disorder requires a prospective consideration of what is warranted in the public interest, having regard to the twin considerations of prevention and deterrence. In any event, I agree with Mr Kolvin that criminal convictions are not required." (Paragraph 18)

Mr Justice Jay added: "Having regard in particular to the twin requirements of prevention and deterrence, there was in my judgment only one answer to this case. The respondent exploited a vulnerable individual from his community by acting in plain, albeit covert, breach of the criminal law. In my view his licence should be revoked." (Paragraph 23)

Licensing and Appeals Committee

<u>Licensing Sub-Committee Hearing in respect of an</u> <u>Application to Vary a Designated Premises Supervisor</u> <u>Licensing Act 2003</u>

THE RAJ, 21 KINGS ROAD, BRENTWOOD CM14 4DJ

Report of: Dave Leonard – Licensing Officer

Wards Affected:Brentwood West

This report is: Public

1. Executive Summary

1.1 An application has been received from Mr Kalam Ullah to vary a premises licence to specify an individual as a designated premises supervisor to Mr Jetu Miah at *The Raj, 21 Kings Road, Brentwood CM14 4DJ*. Essex Police have objected to the variation on the grounds of the Prevention of Crime & Disorder.

2. Recommendation(s)

2.1 That the Sub Committee:

Considers this report and appendices together with any oral submissions at the hearing and determines the application to vary a premises licence to specify an individual as designated premises supervisor (DPS) in line with either of the following options:

- allow the application to vary the premises licence to specify a DPS;
- reject the application to vary the premises licence to specify a DPS.

3. Introduction and Background

- 3.1 Every premises licence that authorises the sale of alcohol must specify a DPS. This will normally be the person who has been given day to day responsibility for running the premises by the premises licence holder.
- 3.2 The police may object to the designation of a new DPS where, in exceptional circumstances, they believe that the appointment would undermine the crime prevention objective.
- 3.3 Section 37 Licensing Act 2003, allows any person entitled to apply for a Premises Licence under 16(1) Licensing Act 2003, to make an application to vary a premises licence to specify an individual as designated premises supervisor.
- 3.4 The premises licence at *The Raj, 21 Kings Road, Brentwood CM14 4DJ* was previously held by Badsha Miah.
- 3.5 This application to transfer has interim effect until this objection is determined. This means that the transfer is allowed to take place temporarily until this objection is determined by this committee.
- 3.6 The current premises licence authorises the sale of alcohol for consumption by such a person as an ancillary to his meal on the premises:

Monday-Saturday 11.00 to 00.00 and Sunday 12.00 to 23.30

A copy of the premises licence, together with a plan of the premises & location map, is attached as **Appendix 2.**

3.7 On 5 December 2018, Essex Police applied to Review the premises licence under the statutory crime prevention objective that includes the prevention of immigration crime and the prevention of illegal working in licensed premises. The decision of the subsequently convened Licensing Sub-Committee hearing on 24 January 2019 was to revoke the premises licence. An appeal against this decision was received on 13 February 2019 and a hearing date awaits.

4. The Application

- 4.1 On 12 February 2019, Kalam Ullah submitted an online application to take transfer of the premises licence from Badsha Miah, which has immediate interim effect, and is subject to a separate hearing.
- 4.2 On 13 February 2019, an application was received from Kalam Ullah to vary the Designated Premises Supervisor, currently Badsha Miah, to Jetu Miah. The accompanying signed consent was then received from Mr Jetu Miah, both are attached as **Appendix 1**.
- 4.3 On 25 February 2019, Essex Police submitted an objection to the variation of DPS to Jetu Miah on the grounds of the prevention of crime and disorder. The representation and associated documents are attached as **Appendix 3**.

5. Reasons For Recommendation

5.1 These are the options available to the Sub-Committee as provided in the Licensing Act 2003.

6. Consultation

6.1 This application has been consulted on in accordance with the requirements of Licensing Act 2003.

7. Statement of Licensing Policy

7.1 There are no specific issues arising from this application in relation to the Council's Statement of Licensing Policy.

8. Relevant Sections of the Secretary of State's Guidance

8.1 The following Section 182 Guidance relates to applications to change the designated premises supervisor;

(4.39) The police may object to the designation of a new DPS where, in exceptional circumstances, they believe that the appointment would undermine the crime prevention objective. The police can object where, for example, a DPS is first specified in relation to particular premises and the specification of that DPS in relation to the particular premises gives rise to exceptional concerns. For example, where a personal licence holder has been allowed by the courts to retain their licence despite convictions for selling alcohol to children (a relevant offence) and then transfers into premises known for underage drinking.

(4.40) The 2003 Act provides that the applicant may apply for the individual to take up post as DPS immediately and, in such cases, the issue would be whether the individual should be removed from this post. The licensing authority considering the matter must restrict its consideration to the issue of crime and disorder and give comprehensive reasons for its decision. Either party would be entitled to appeal if their argument is rejected.

(4.41) The portability of personal licences between premises is an important concept under the 2003 Act. It is expected that police objections would arise in only genuinely exceptional circumstances. If a licensing authority believes that the police are routinely objecting to the designation of new premises supervisors on grounds which are not exceptional, they should raise the matter with the chief officer of police as a matter of urgency.

9. Legal Considerations

- 9.1 The decision made by the committee will take immediate effect; the chief officer of police may appeal against a decision to grant the application. The applicant may appeal the decision to refuse the application.
- 9.3 In determining this application to vary the designated premises supervisor, the Sub-Committee should have regard to the Council's Statement of Licensing Policy and to the guidance issued by the Secretary of State under s182 of the Licensing Act 2003.
- 9.4 The Sub-Committee are advised that the hearing is of a quasi-judicial nature and representations from all parties both written and verbal will form part of matters that are to be considered. Findings on issues of fact should be on the balance of probability.
- 9.5 The Sub-Committee are advised that the final decision should be based on the individual merits of the application & findings of fact made at the hearing.

- Appendix 2 Copy of the Premises Licence, Premises Plan & OS Map

25th February 2019

Dear Mr Adams,

APPLICATION TO VARY DESIGNATED PREMISES SUPERVISOR (S37 LICENSING ACT 2003)

The Raj, 21 Kings Road, Brentwood, CM14 4DJ is a family run business whose existing licence was issued in 2005. Those involved in running and profiting from the restaurant remain the same today as they have been for several years – despite this application to vary the premises licence to specify Jetu MIAH as the designated premises supervisor (DPS).

This application has been made alongside an application to transfer the premises licence and seeks to place the nephew of the outgoing premises licence holder and designated premises supervisor Badsha MIAH as the DPS.

Essex Police objects to the variation under the crime and disorder objective, which includes the prevention of illegal working.

Case law details that the Licensing Act 2003 is a 'prospective' looking piece of legislation whose intent is to prevent criminality from occurring when that is a likelihood.

On 20th November 2018 The Raj was subject of an intelligence led operation conducted by Immigration Enforcement and Compliance officers. On that occasion 5 illegal workers were discovered at the premises, one of whom had been detained at the same premises in 2014 for illegally working and who had subsequently absconded whilst an application for leave to remain was under consideration.

As in 2014, on the date of the latest enforcement operation the premises licence holder and designated premises supervisor was Badsha MIAH.

S.182 guidance also states at 2.5 that the designated premises supervisor is the key person who will usually be responsible to the day to day management of the premises. At a sub-committee hearing on 17th January 2019 where the transfer of the licence to this same male Jetu MIAH was unsuccessful; it was declared that he was a full time taxi driver and it was implied that Badsha MIAH would still be the manager. Thus this will be an absent DPS and the control remains unchanged.

It is the contention of Essex Police that this application is another attempt to allow the family to continue to run the premises and that Badsha MIAH remains the primary mind in how the premises will be run. It is Essex Police's view that the employment of illegal workers (an undermining of the crime and disorder objective) will continue should this variation take place.

The Chief Officer of Police hereby objects to the proposed transfer and proposes to adduce further documentary and other material ahead of the hearing date in accordance with the statutory guidance and the relevant Hearing Regulations.

Please advise me of when the Licensing Panel will be meeting to hear this so representatives of the Chief Officer of Police can be in attendance.

Yours sincerely,

Jones

- 1.0 Outline of circumstances leading to the objection to transfer the premises licence.
- 1.1 The grounds for objection are that the crime and disorder objective of the Licensing Act has been undermined in that Immigration Compliance and Enforcement officers of the Home Office discovered disqualified persons working illegally on the premises. Paragraph 11.26 Guidance for Licensing Authorities to Prevent Illegal Working in Licensed Premises in England & Wales (6 April 2017, Home Office).
- **1.2** The statutory crime prevention objective in the 2003 Act includes the prevention of immigration crime and the prevention of illegal working in licensed premises. In particular, employing a person who is disqualified from work by reason of their immigration status is a criminal activity which, according to the Home Office Guidance to the Licensing Act 2003, should be treated "particularly seriously".
- **1.3** On Tuesday 20th November 2018 Immigration Compliance & Enforcement (ICE) officers attended The Raj, 21 Kings Road, Brentwood, Essex, CM14 4DJ. They entered using their powers under section 179 Licensing Act 2003.
- 1.4 Immigration Officers conducted checks of those present and found a total of five persons listed as immigration offenders with no permission to remain or work in the United Kingdom.
 Document 1 is a statement from the Chief Immigration Officer summarising the offenders.
- **1.5** With the evidence obtained a Notice of Potential Liability (NOPL) to a civil penalty of up to £20,000 per illegal worker was served in respect of these illegal workers.
- **1.6** The premises has previously been found to be employing illegal workers and was subject to an immigration enforcement operation on 23rd April 2014 when 3 of the 5 workers present at that time were found to be immigration offenders. Contemporary records pertaining to that operation show the manager at that time to be the same Badsha (Bad ha) MIAH, still in post at the most recent immigration enforcement operation. (Document 1).
- **1.7** Essex Police subsequently applied for a review of the premises licence and at a subcommittee hearing on 24th January 2019 the premise licence was revoked.
- **1.8** A mere 13 working days after this latest immigration enforcement and 2 days after applying for the review; an application was made to transfer the Premises Licence to Jetu MIAH. Essex Police objected to this and at a sub-committee hearing on 17th January 2019 the application was rejected.
- **1.9** Essex Police object to variation of the premises licence to specify Jetu MIAH as Designated Premises Supervisor as he is a relation of the outgoing Premises Licence Holder and Designated Premises Supervisor Badsha MIAH; who is his uncle. Document 2 is an extract of a Pocket notebook entry of Mr David LEONARD, Licensing Officer for Brentwood Borough Council. In it he records serving the aforementioned review application upon Mr ULLAH in the absence of Mr Badsha MIAH; recording the relations between Mr Badsha MIAH, Mr Kalam ULLAH and Mr Jetu MIAH.
- **1.10** Given the information to hand and provided within, it is no stretch to conclude that the controlling party remains Mr Badsha MIAH and that the variation of DPS to Jetu MIAH is a front to attempt to deceive the Licensing Committee and avoid business limiting action.

- 1.11 It is worth noting there are multiple companies active on Companies House connected to the premises address. One in particular being The Raj CM14 Ltd was incorporated on 27th November 2018. Document 3 shows the sole director and majority shareholder is Mr Jetu MIAH. With shares to the value of £100.
- **1.12** This company was set up following immigration activity which led to the review of the premises licence; and the attempt to transfer the premises licence to Jetu MIAH which was refused.
- **1.13** It was at that hearing on 17th January 2019 where Jetu MIAH declared he was a full time taxi driver; and implied that Badsha MIAH would continue to manage the premises.
- **1.14** S.182 guidance states at 2.5 that the designated premises supervisor is the key person who will usually be responsible for the day to day management of the premises. Thus this will be an absent DPS and the control remains unchanged.
- 1.15 This variation of DPS is not a change of operational management and the total disregard for the framework of regulatory legislation is liable to continue if the transfer were to be granted. The Licensing Act 2003 is prospective (what is likely to happen) (see East Lindsey District Council v Abu Hanif (t/a Zara's restaurant and take away) [2016] EWHC 1265 Admin. (Appendix 8.11).
- **1.16** One only has to look at what has happened in the past to glimpse what is likely to happen in the future. On two occasions illegal workers were found at the premises. The pre-existing licence holder and DPS is the joint leaseholder and brother of the applicant for this variation; and uncle of the proposed DPS. This was and remains a family business venture and the controlling mind will remain as Badsha MIAH the person responsible for employing a number of illegal workers.
- **1.17** The Licensing Authority is required to take steps to promote the prevention of crime and disorder (which includes illegal working) and Essex Police would ask that the sub-committee rejects the transfer of the premises licence.

2.0 Immigration Offences

- 2.1 Illegal workers are those subject to immigration control who either do not have leave to enter or remain in the UK, or who are in breach of a condition preventing them taking up the work in question. It is an employer's responsibility to be aware of their obligations and ensure they understand the immigration landscape to avoid the risk of prosecution, the imposition of a civil penalty or the revocation/suspension of their premises licence.
- 2.2 Since 1996 it has been unlawful to employ a person who is disqualified from employment because of their immigration status. A statutory excuse exists where the employer can demonstrate they correctly carried out document checks, i.e. that they were duped by fake or forged documents.
- **2.3** The Immigration Act 2016 came into force in July 2016 and its explanatory notes state that "these offences were broadened to capture, in particular, employers who deliberately did not undertake right to work checks in order that they could not have the specific intent required to 'knowingly' employ an illegal worker".
- 2.4 Since 2016 an employer may be prosecuted not only if they knew their employee was disqualified from working but also if they had reasonable cause to believe that an employee did not have the right to work: what might be described as *wilful ignorance'*, where either no documents are requested or none are presented despite a request. This means an offence is committed when an employer 'ought to have known' the person did not have the right to work.
- 2.5 Since 2016 it has also been an offence to work when disqualified from doing so. It is obvious that without a negligent or wilfully ignorant employer, an illegal worker cannot work. Such an employer facilitates a criminal offence and Essex Police highlights this as relevant irrespective of whether a civil penalty is imposed or a prosecution launched for employing an illegal worker.
- 2.6 In this context, under section 3(1)(C)(i) Immigration Act 1971 (as amended by the 2016 Act) restrictions are not limited simply to employment (i.e. paid work) but now includes all work.
- 2.7 Thus an individual with no right to work in the UK commits offences if they undertake paid or unpaid work, paid or unpaid work placements undertaken as part of a course etc. are self-employed or engage in business or professional activity. For instance, undertaking an unpaid work trial or working in exchange for a non-monetary reward (such as board and lodging) is working illegally and is a criminal offence committed by the worker and facilitated by the 'employer'.

3.0 Statutory Guidance (s182 LA 2003) and the Authority's Licensing Policy

3.1 Whilst this is an objection to a variation the premises licence to specify a designated premises supervisor, Essex Police believes that part of the guidance relating to reviews is appropriate in considering whether allowing this variation would undermine the licensing objective of preventing crime and disorder, which includes illegal working. In particular; Essex Police submits that paragraphs 11.24 – 11.29 of the Guidance is relevant.

3.2 Paragraph 11.26

Where the licensing authority is conducting a review on the grounds that the premises have been used for criminal purposes, its role is solely to determine what steps should be taken in connection with the premises licence, for the promotion of the crime prevention objective. (...). The licensing authority's duty is to take steps with a view to the promotion of the licensing objectives and the prevention of illegal working in the interests of the wider community and not those of the individual licence holder.

- **3.3** Thus the financial hardship occasioned by the existing revocation of the premises licence should not sway the sub-committee but instead it should look at what is appropriate to promote the objective within the wider business and local community given *"illegal labour exploits workers, denies work to UK citizens and legal migrants and drives down wages"* (Rt. Hon James Brokenshine, Immigration Minister on the introduction of the 2016 Act).
- 3.4 Paragraph 11.27 of the Guidance states:

There is certain criminal activity that may arise in connection with licensed premises which should be treated particularly seriously. These are the use of the licensed premises (...) for employing a person who is disqualified from that work by reason of their immigration status in the UK.

Essex Police would draw the sub-committee's attention to the change in wording of this paragraph following the April 2017 revision of the guidance, where the previous reference to 'knowingly employing' was removed.

3.5 Paragraph 11.28 of the Guidance states:

It is envisaged that licensing authorities, the police, the Home Office (Immigration Enforcement) and other law enforcement agencies, which are responsible authorities, will use the review procedures effectively to deter such activities and crime. Where reviews arise and the licensing authority determines that the crime prevention objective is being undermined through the premises being used to further crimes, it is expected that revocation of the licence – even in the first instance –should be seriously considered.

Essex Police considers this paragraph self-explanatory; where an enterprise employs illegal workers it is the duty of Essex Police to work with Immigration Enforcement to bring forward reviews and for the authority to consider revocation in the first instance.

3.6 In support of this statement; Essex Police would draw the sub-committee's attention to the "Guidance for Licensing Authorities to Prevent Illegal Working in Licensed Premises in England and Wales" (Home Office)[April 2017] where at section 4.1 it states; "It is envisaged that licensing authorities, the police, Home Office (Immigration Enforcement) and other law enforcement agencies will use the review procedures effectively to deter illegal working".

- **3.7** Since the main draw for illegal migration is work, and since low-skilled migrants are increasingly vulnerable to exploitation at the hand of criminal enterprises, the government has strengthened enforcement measures and the statutory Guidance to deter illegal workers and those that employ them.
- **3.8** Deterrence is a key element of the UK government's strategy to reduce illegal working and is supported by both the Guidance and Case Law.

4.0 Case Law

- **4.1** Deterrence as a legitimate consideration by a licensing sub-committee has been considered before the High Court where remedial measures (such as the imposition of additional conditions) were distinguished from legitimate deterrent (punitive) measures such as revocation.
- **4.2** *R* (Bassetlaw District Council) v Worksop Magistrates' Court; [2008] WLR (D) 350. Issues relevant to the case before today's sub-committee which were considered in the *Bassetlaw* judgement included whether a licensing authority was restricted to remedial action (as opposed to punitive action such as revocation); and the precedence of wider considerations than those relating to an individual holder of a premises licence when certain criminal activities (as specified in the Guidance) took place.
- **4.3** It specifically examined (and set aside in the case of 'certain activities') those parts of the Guidance now contained within paragraph 11.20 and 11.23, viz.

In deciding which of these powers to invoke, it is expected that licensing authorities should so far as possible seek to establish the cause or causes of the concerns that the representations identify. The remedial action taken should generally be directed at these causes and should always be no more than an appropriate and proportionate response to address the causes of concern that instigated the review.

However, it will always be important that any detrimental financial impact that may result from a licensing authority's decision is appropriate and proportionate to the **promotion of the licensing objectives and for the prevention of illegal working in licensed premises**.

4.4 In her judgement, Mrs Justice Slade stated (at 32.1 & 33.1 of the citation):

"Where criminal activity is applicable, as here, wider considerations come into play and the furtherance of the licensing objective engaged includes the prevention of crime. In those circumstances, deterrence, in my judgment, is an appropriate objective and one contemplated by the guidance issued by the Secretary of State. (...) However, in my judgment deterrence is an appropriate consideration when the paragraphs specifically directed to dealing with reviews where there has been activity in connection with crime are applicable." **4.5** East Lindsey District Council v Abu Hanif (Trading as Zara's Restaurant and Takeaway), [2016] EWHC 1265 (Admin)

This is a recent High Court decision (published April 2016) which has established that in considering whether the licensing objectives may be undermined one should look at what is likely to happen in the future.

4.6 The case reaffirms the principle that responsible authorities need not wait for the licensing objectives to actually be undermined; that crucially in considering whether the crime prevention objective has been engaged or likely to be engaged a prospective consideration (i.e. what is likely to happen in the future) of what is warranted is a key factor. It also reaffirmed the case of *Bassetlaw* in concluding that deterrence is a legitimate consideration of a sub-committee.

Mr Justice Jay stated: "The question was not whether the respondent had been found guilty of criminal offences before a relevant tribunal, but whether revocation of his licence was appropriate and proportionate in the light of the salient licensing objectives, namely the prevention of crime and disorder. This requires a much broader approach to the issue than the mere identification of criminal convictions. It is in part retrospective, in as much as antecedent facts will usually impact on the statutory question, but importantly the prevention of crime and disorder requires a prospective consideration of what is warranted in the public interest, having regard to the twin considerations of prevention and deterrence. In any event, I agree with Mr Kolvin that criminal convictions are not required." (Paragraph 18)

Mr Justice Jay added: "Having regard in particular to the twin requirements of prevention and deterrence, there was in my judgment only one answer to this case. The respondent exploited a vulnerable individual from his community by acting in plain, albeit covert, breach of the criminal law. In my view his licence should be revoked." (Paragraph 23)

were suspected of working illegally in the United Kingdom.

Home Office records show that a total of five immigration offenders were recorded as being encountered by the officers during the execution of the search warrant. They are recorded as:

a Bangladeshi national born who was first encountered by Immigration Officers following his arrest in Wiltshire on 04.11.2011. He stated that he'd entered the United Kingdom with a false visa valid in January 2010. He was served notification that he was an illegal entrant to the UK and was released pending documentation to remove him. He subsequently absconded form his reporting conitions and was not encountered until he was arrested on 20.11.2018 at "The Raj" when on being seen by officers, he attempted to escape. Following his arrest he stated that he was not working, merely helping out in exchange for food and accommodation. He was detained and transferred into Immigration detention facilities on the same night. He has never been granted any permission to remain or to work in the United Kingdom.

a Bangladeshi national born originally entered the United Kingdom on 08.04.2010 when he held a visa to study, valid until 31.12.2012. In February 2016, he sought asylum in the United Kingdom and as an overstayer was notified of his liability to removal and placed on reporting restrictions., he last reported in October 2017, shortly before his application for asylum, which had been refused, was finally determined at an appeal hearing. Having lost his appeal, nothing more was heard from him until 20.11.2018 when he was seen by officers at "The Raj" and attempted to escape, having been arrested and detained, he told officers that he'd only been at the premises working for a week, although he was found to have in his possession the front door key to the property. He was detained and transferred to immigration detention facilities the same night.

arrived in the United Kingdom in 2008 with a a Bangladeshi national born visa valid until 04.05.2009 after which he made no contact whatsoever with the Home Office. On 20.11.2018 he was arrested at "The Raj" in Brentwood when immigration officers entered the premises and he was one of several staff seen to attempt to escape out of the back door through the kitchen. When interviewed, he admitted to working at the Raj for approx one month as a kitchen porter, working Monday, Tuesday, Friday, Saturday, Sunday between the hours of 1700 until 2300. He stated that he was paid £100 per week by Badsha MIAH, whom he described as the restaurant manager and that his accommodation is also included as he lives above the restaurant in a room with another two individuals. a Bangladeshi national born arrived in the United Kingdom with a visa valid as a student until 30.04.2012; he subsequently gained an extension of student leave until 15.05.2014. This was later curtailed until 01.09.2013 due to issues with his college and he made no further applications or contact with the Home Office until he was arrested at "The Raj" on 23.04.2014 when he claimed to be on a "work placement" however his employer stated that he was working 20 hours per week and when he produced identification, his residence permit clearly showed that he was prohibited from employment. He was detained and had a removal flight booked for early May 2014 but subsequent representation by a solicitor led to an application for him to remain and he was released pending this being concluded. On 03.06.2014 during an Employer Liaison Visit to "The Raj of India" Restaurant, 17 The Street, Rayne Essex CM77 6RW he was encountered at the premises, folding serviettes and preparing tables but denied working and stated that he was just visiting a friend; however the manager on duty stated that subject was working there as a waiter and had done so for a couple of weeks. Due to his pending application he could not be detained at that point. Following refusal of his application, he was subsequently listed as an absconder after he failed to report in line with his bail conditions. On 20.11.2018 he was again encountered by Immigration Officers, this time having returned to work at "The Raj" in Brentwood, where on seeing officers he immediately sought to remove his tie and jacket. He was detained and transferred to immigration detention facilities the same night,

a Bangladeshi national who gave his date of birth initially as and subsequently was recorded as . He had been encountered by enforcement officer in Tyneside on 08.10.2009 when there was a dispute over his age and stats and he was subsequently found to have been issued a visa to visit the United Kingdom in 2007, this expiring on 18.04.2007. He was served with notice that he was liable to removal and released pending documentation; he was not heard from again until 20.11.2018 when he was encountered in an upstairs room at "The Raj" in Brentwood and was arrested and detained whilst in bed. He admitted that he'd been working at the restaurant for six month, washing up; and signed an officer's notebook to confirm this. He was detained and transferred to immigration detention facilities the same night.

Further Home Office records show that the premises of "The Raj" at 21 Kings Road, Brentwood was

Members Interests

Members of the Council must declare any pecuniary or non-pecuniary interests and the nature of the interest at the beginning of an agenda item and that, on declaring a pecuniary interest, they are required to leave the Chamber.

• What are pecuniary interests?

A person's pecuniary interests are their business interests (for example their employment trade, profession, contracts, or any company with which they are associated) and wider financial interests they might have (for example trust funds, investments, and asset including land and property).

• Do I have any disclosable pecuniary interests?

You have a disclosable pecuniary interest if you, your spouse or civil partner, or a person you are living with as a spouse or civil partner have a disclosable pecuniary interest set out in the Council's Members' Code of Conduct.

• What does having a disclosable pecuniary interest stop me doing?

If you are present at a meeting of your council or authority, of its executive or any committee of the executive, or any committee, sub-committee, joint committee, or joint sub-committee of your authority, and you have a disclosable pecuniary interest relating to any business that is or will be considered at the meeting, you must not :

- participate in any discussion of the business at the meeting, of if you become aware of your disclosable pecuniary interest during the meeting participate further in any discussion of the business or,
- participate in any vote or further vote taken on the matter at the meeting.

These prohibitions apply to any form of participation, including speaking as a member of the public.

• Other Pecuniary Interests

Other Pecuniary Interests are also set out in the Members' Code of Conduct and apply only to you as a Member.

If you have an Other Pecuniary Interest in an item of business on the agenda then you must disclose that interest and withdraw from the room while that business is being considered

• Non-Pecuniary Interests

Non –pecuniary interests are set out in the Council's Code of Conduct and apply to you as a Member and also to relevant persons where the decision might reasonably be regarded as affecting their wellbeing.

A 'relevant person' is your spouse or civil partner, or a person you are living with as a spouse or civil partner

If you have a non-pecuniary interest in any business of the Authority and you are present at a meeting of the Authority at which the business is considered, you must disclose to that meeting the existence and nature of that interest whether or not such interest is registered on your Register of Interests or for which you have made a pending notification.
