Where members of the public use a laptop, tablet device, smart phone or similar devices to make recordings, these devices must be set to 'silent' mode to avoid interrupting proceedings of the council or committee.

If you wish to record the proceedings of a meeting and have any special requirements or are intending to bring in large equipment then please contact the Communications Team before the meeting.

The use of flash photography or additional lighting may be allowed provided it has been discussed prior to the meeting and agreement reached to ensure that it will not disrupt proceedings.

The Chair of the meeting may terminate or suspend filming, photography, recording and use of social media if any of

these activities, in their opinion, are disrupting proceedings at the meeting.

Licensing and Appeals Committee

**Licensing Sub-Committee Hearing in respect of an
Application to Transfer a Premises Licence
Licensing Act 2003**

JEHAN CURRY HUT, 19 SOUTH ST, BRENTWOOD CM14 4BJ

Report of: Dave Leonard – Licensing Officer

Wards Affected: Brentwood South

This report is: Public

1. Executive Summary

- 1.1 An application has been received from MD Abdul Latif to transfer the premises licence at **Jehan Curry Hut, 19 South Street Brentwood CM14 4BJ**. Essex Police have objected to the transfer on the grounds of the Prevention of Crime and Disorder.

2. Recommendation(s)

- 2.1 That the Sub Committee:

Considers this report and appendices together with any oral submissions at the hearing and determines the application for the transfer of the premises licence in line with either of the following options:

- allow the application to transfer;
- reject the application to transfer.

3. Introduction and Background

- 3.6 Section 42 Licensing Act 2003, allows any person entitled to apply for a Premises Licence under 16(1) Licensing Act 2003, to make an application to transfer an existing Premises Licence to him.
- 3.2 In exceptional circumstances where the chief officer of police believes the transfer may undermine the crime prevention objective, the police may object to the transfer. The Home Office (Immigration Enforcement) may object if it considers that granting the transfer would be prejudicial to the prevention of illegal working in licensed premises.
- 3.7 The premises licence at ***Jehan Curry Hut, 19 South Street, Brentwood CM14 4BJ*** was previously held by Mare Blu Restaurant.
- 3.8 This application to transfer has interim effect until this objection is determined. This means that the transfer is allowed to take place temporarily until this objection is determined by this committee.
- 3.9 The current premises licence authorises the sale of alcohol for consumption on the premises:
Monday-Saturday 11.00 to 00.00 and Sunday 12.00 to 23.30

And the provision of late-night refreshment
Monday-Saturday 23.00 to 00.30 and Sunday 23.00 to 00.00

A copy of the premises licence, together with a plan of the premises & location map, is attached as **Appendix 2**.

4. The Application

- 4.1 On 1 March 2019, Abdul Latif submitted an online application with the intention to take transfer of the premises licence from Mare Blu Restaurant. A copy of the application to transfer the premises licence is attached as **Appendix 1**.
- 4.3 The Licensing Act 2003 allows for the chief officer of police for the police area in which the premises are situated, if he is satisfied that the exceptional circumstances of the case are such that the granting of the application would undermine the crime prevention objective, to raise objection within 14 days of receiving the application.
- 4.4 On 6 March 2019, Essex Police submitted an objection to the premises licence being transferred to Abdul Latif on the grounds of the prevention of crime and disorder. The representation by Mrs Jackie Cooper is attached as **Appendix 3**.

5. Reasons For Recommendation

- 5.1 These are the options available to the Sub-Committee as provided in the Licensing Act 2003.

6. Consultation

- 6.1 This application has been consulted on in accordance with the requirements of Licensing Act 2003.

7. Statement of Licensing Policy

- 7.1 There are no specific issues arising from this application in relation to the Council's Statement of Licensing Policy.

8. Relevant Sections of the Secretary of State's Guidance

- 8.1 The following Sections 182 Guidance relates to transfer applications;

(8.101) In exceptional circumstances where the chief officer of police believes the transfer may undermine the crime prevention objective, the police may object to the transfer. The Home Office (Immigration Enforcement) may object if it considers that granting the transfer would be prejudicial to the prevention of illegal working in licensed premises. Such objections are expected to be rare and arise because the police or the Home Office (Immigration Enforcement) have evidence that the business or individuals seeking to hold the licence, or businesses or individuals linked to such persons, are involved in crime (or disorder) or employing illegal workers.

(8.102) Such objections (and therefore such hearings) should only arise in truly exceptional circumstances. If the licensing authority believes that the police or the Home Office (Immigration Enforcement) are using this mechanism to vet transfer applicants routinely and to seek hearings as a fishing expedition to inquire into applicants' backgrounds, it is expected that it would raise the matter immediately with the chief officer of police or the Home Office (Immigration Enforcement).

9. Legal Considerations

- 9.1 The committee, after considering the application to transfer and the relevant objection, will need to consider to either:
- allow the application to transfer;
 - reject the application to transfer.

- 9.2 The decision made by the committee will take immediate effect; the chief officer of police may appeal against a decision to grant the application. The applicant may appeal the decision to refuse the application.
- 9.3 In determining this application to transfer the premises licence, the Sub-Committee should have regard to the Council's Statement of Licensing Policy and to the guidance issued by the Secretary of State under s182 of the Licensing Act 2003.
- 9.4 The Sub-Committee are advised that the hearing is of a quasi-judicial nature and representations from all parties both written and verbal will form part of matters that are to be considered. Findings on issues of fact should be on the balance of probability.
- 9.5 The Sub-Committee are advised that the final decision should be based on the individual merits of the application and findings of fact made at the hearing.

5th March 2019

Dear Mr Adams,

APPLICATION TO TRANSFER PREMISES LICENCE (S42 LICENSING ACT 2003)

Essex Police received on the 1st March an application to Transfer the Premise Licence of the Jehan Curry Hut, 19 South Street, Brentwood CM14 4BJ.

The Premise Licence Holder Mr Abdul Latif was formally the Director of Chutney Joes, 117 High Street, Brentwood CM14 4RX and was subject to an Immigration Compliance and Enforcement visit on the 18th November 2018 which resulted in one male being detained for immigration offences. Mr Latif resigned as Director of Chutney Joes on the 26th November 2018.

Essex Police objects to the transfer under the Crime and Disorder objective, which includes the prevention of illegal working.

Case law details that the Licensing Act 2003 is a 'prospective' looking piece of legislation whose intent is to prevent criminality from occurring when that is a likelihood.

Mr Latif facilitated a criminal offence taking place at his previous premise and there is nothing to suggest the employment of illegal workers and the failure to conduct right to work check will not continue. The sub-committee is entitled to exercise common sense and its own judgement based on the life experiences of its members.

The Chief Officer of Police hereby objects to the proposed transfer and proposes to adduce further documentary and other material ahead of the hearing date in accordance with the statutory guidance and the relevant Hearing Regulations.

Please advise me of when the Licensing Sub-Committee will be meeting to hear this so representatives of the Chief Officer of Police can be in attendance.

Yours sincerely

1.0 Outline of circumstances leading to the objection to transfer the premises licence.

- 1.1** On the 1st March 2019, Essex Police received an application for the transfer of the premises licence of the premises situated at 19 South Street Brentwood CM14 4BJ (formally Mare Blu).
- 1.2** The applicant named on the application form was Jehan Curry Hut with the description of applicant stated as Company Director of Brentwood Curry Hut. The application was signed by MD Abdul Latif. The Brentwood Curry Hut Ltd is a private limited company first incorporated on 18th February 2019. Mr Latif is the sole director of this company.
- 1.3** Companies House records show that in January 2017 another private limited company had been incorporated in the name of Indian Dining Chutney Ltd. The registered address of this company was (and is) 117 High Street, Brentwood CM14 4RX. Until his resignation on 26th November 2018 Md Abdul Latif was the sole director of this other company.
- 1.4** Since before 2005 the premises at 117 High Street, Brentwood has (until recently) traded as Chutney Joes and until recently the authorities had the DPS identified as Harun Khan and the joint licence holders as Harun Khan and Faruk Miah; however police believe that Mr Latif as sole director of the company running the business was the directing mind and principal controller of day to day activity (see paragraph 1.11).
- 1.5** On the 2nd November 2018, Immigration Compliance & Enforcement (ICE) officers attended Chutney Joes. 117 High Street, Brentwood. They entered using a warrant under Schedule 2 Paragraph 17 (2) of the Immigration Act 1971 (amended). The warrant had been issued following intelligence received on 9th October 2018 that three illegal workers worked at the premises each Friday and Saturday.
- 1.6** Officers entered and a total of seven persons working who were placed in a 'sterile area' for questioning. One was later identified as an immigration offender with no right to work and no leave to remain in the UK. He had been seen by immigration officers working as a waiter, dressed in a uniform identical to other waiters at the premises.
- 1.7** This immigration offender admitted he knew he had no right to work in the UK. Subsequently the offender was allowed to retrieve his mobile phone which was on charge in the staff area behind the bar and to go upstairs to a small office marked 'Staff Only' so he could retrieve his jacket.
- 1.8** Whilst questioning those persons who had been working in the kitchen, one of those identified himself as Abdul Latif, stating he was the director of the company operating the premises and Head Chef. When asked about the individual illegal worker, Latif responded with "I work in the kitchen and I'm at home a lot. I don't know when he started working here. He must have come to work here when I was at home". He went on to explain that he lets his manager at the front look after the service area.
- 1.9** Md Abdul Latif resigned as the sole director of Indian Dining Chutney Ltd on 26th November 2018, just under 4 weeks after the discovery of this illegal worker at the business of which he was the sole shareholder.

- 1.10** Essex police applied for a review of the premises licence at Chutney Joes on the ground that the crime and disorder licensing objective had been engaged. This was later withdrawn; as a successful transfer of the premises licence was made to persons with no traceable link to the previous operators.
- 1.11** During the period immediately following the launch of the review above, correspondence was received from one of the recorded joint licence holders Harun KHAN. This correspondence set out that the whereabouts of the other joint licence holder Farul MIA was unknown and the business relationship severed. The correspondence made it clear that as the landlord of the premises he had relinquished control of the license and other business activity taking place in January 2018 and had permitted a new tenant (Rofik KHAN) to take over the business. The terms of this transfer were that Rofik KHAN was to transfer the licence to himself and become the DPS: this he however failed to do though the landlord was unaware of this. Following the resignation of Mr Latif as sole director of Indian Dining Chutney Ltd, the same day Rofik KHAN was appointed the new sole director. This shows the relationship between the lawful tenant and Mr Latif.
- 1.12** The grounds for objection are that it is highly likely that the crime and disorder objective of the Licensing Act will be undermined in the future in that Immigration Compliance and Enforcement officers of the Home Office discovered disqualified persons working illegally on a premises where this applicant was the sole director. Paragraph 11.26 Guidance for Licensing Authorities to Prevent Illegal Working in Licensed Premises in England & Wales (6 April 2017, Home Office).
- 1.13** The statutory crime prevention objective in the 2003 Act includes the prevention of immigration crime and the prevention of illegal working in licensed premises. In particular, employing a person who is disqualified from work by reason of their immigration status is a criminal activity which, according to the Home Office Guidance to the Licensing Act 2003, should be treated "particularly seriously".
- 1.14** One only has to look at what has happened in his previous business to glimpse what is likely to happen in the future. He may also claim to have 'learnt his lesson' by being caught.
- 1.15** Whether by negligence or wilful blindness Mr Latif allowed illegal working to be conducted on the premises, yet it is a simple process for an employer to ascertain what documents they should check before a persons is allowed to work. It is an offence to work when a person is disqualified to do so and such an offence can only be committed with the co-operation of the management. It is also an offence to employ an illegal worker where there is reason to believe this is the case.
- 1.16** The Licensing Act 2003 is prospective (what is likely to happen) (see *East Lindsey District Council v Abu Hanif (t/a Sara's restaurant and take away)* [2016] EWHC 1265 Admin. (Appendix 8.11).
- 1.17** The Licensing Authority is required to take steps to promote the prevention of crime and disorder (which includes illegal working) and Essex Police would ask that the sub-committee rejects the transfer of the premise licence.

2.0 Immigration Offences

- 2.1 Illegal workers are those subject to immigration control who either do not have leave to enter or remain in the UK, or who are in breach of a condition preventing them taking up the work in question. It is an employer's responsibility to be aware of their obligations and ensure they understand the immigration landscape to avoid the risk of prosecution, the imposition of a civil penalty or the revocation/suspension of their premises licence.
- 2.2 Since 1996 it has been unlawful to employ a person who is disqualified from employment because of their immigration status. A statutory excuse exists where the employer can demonstrate they correctly carried out document checks, i.e. that they were duped by fake or forged documents.
- 2.3 The Immigration Act 2016 came into force in July 2016 and its explanatory notes state that *"these offences were broadened to capture, in particular, employers who deliberately did not undertake right to work checks in order that they could not have the specific intent required to 'knowingly' employ an illegal worker"*.
- 2.4 Since 2016 an employer may be prosecuted not only if they knew their employee was disqualified from working but also if they had reasonable cause to believe that an employee did not have the right to work: what might be described as **wilful ignorance**, where either no documents are requested or none are presented despite a request. This means an offence is committed when an employer 'ought to have known' the person did not have the right to work.
- 2.5 Since 2016 it has also been an offence to work when disqualified from doing so. It is obvious that without a negligent or wilfully ignorant employer, an illegal worker cannot work. Such an employer facilitates a criminal offence and Essex Police highlights this as relevant irrespective of whether a civil penalty is imposed or a prosecution launched for employing an illegal worker.
- 2.6 In this context, under section 3(1)(C)(i) Immigration Act 1971 (as amended by the 2016 Act) restrictions are not limited simply to employment (i.e. paid work) but now includes all work.
- 2.7 Thus an individual with no right to work in the UK commits offences if they undertake paid or unpaid work, paid or unpaid work placements undertaken as part of a course etc. are self-employed or engage in business or professional activity. For instance, undertaking an unpaid work trial or working in exchange for a non-monetary reward (such as board and lodging) is working illegally and is a criminal offence committed by the worker and facilitated by the 'employer'.

3.0 Statutory Guidance (s182 LA 2003) and the Authority's Licensing Policy

- 3.1 Whilst this is an objection to a transfer, Essex Police believes that part of the guidance relating to reviews is appropriate in considering whether allowing this transfer would undermine the licensing objective of preventing crime and disorder, which includes illegal working. In particular; Essex Police submits that paragraphs 11.24 – 11.29 of the Guidance is relevant.

3.2 Paragraph 11.26

Where the licensing authority is conducting a review on the grounds that the premises have been used for criminal purposes, its role is solely to determine what steps should be taken in connection with the premises licence, for the promotion of the crime prevention objective. (...). The licensing authority's duty is to take steps with a view to the promotion of the licensing objectives and the prevention of illegal working in the interests of the wider community and not those of the individual licence holder.

- 3.3 Thus the financial hardship occasioned by the existing revocation of the premises licence should not sway the sub-committee but instead it should look at what is appropriate to promote the objective within the wider business and local community given “*illegal labour exploits workers, denies work to UK citizens and legal migrants and drives down wages*” (Rt. Hon James Brokenshire, Immigration Minister on the introduction of the 2016 Act).

- 3.4 Paragraph 11.27 of the Guidance states:

There is certain criminal activity that may arise in connection with licensed premises which should be treated particularly seriously. These are the use of the licensed premises (...) for employing a person who is disqualified from that work by reason of their immigration status in the UK.

Essex Police would draw the sub-committee's attention to the change in wording of this paragraph following the April 2017 revision of the guidance, where the previous reference to 'knowingly employing' was removed.

- 3.5 Paragraph 11.28 of the Guidance states:

It is envisaged that licensing authorities, the police, the Home Office (Immigration Enforcement) and other law enforcement agencies, which are responsible authorities, will use the review procedures effectively to deter such activities and crime. Where reviews arise and the licensing authority determines that the crime prevention objective is being undermined through the premises being used to further crimes, it is expected that revocation of the licence – even in the first instance – should be seriously considered.

Essex Police considers this paragraph self-explanatory; where an enterprise employs illegal workers it is the duty of Essex Police to work with Immigration Enforcement to bring forward reviews and for the authority to consider revocation in the first instance.

- 3.6 In support of this statement; Essex Police would draw the sub-committee's attention to the “*Guidance for Licensing Authorities to Prevent Illegal Working in Licensed Premises in England and Wales*” (Home Office)[April 2017] where at section 4.1 it states;
“It is envisaged that licensing authorities, the police, Home Office (Immigration Enforcement) and other law enforcement agencies will use the review procedures effectively to deter illegal working”.

3.7 Since the main draw for illegal migration is work, and since low-skilled migrants are increasingly vulnerable to exploitation at the hand of criminal enterprises, the government has strengthened enforcement measures and the statutory Guidance to deter illegal workers and those that employ them.

3.8 Deterrence is a key element of the UK government's strategy to reduce illegal working and is supported by both the Guidance and Case Law.

4.0 Case Law

4.1 Deterrence as a legitimate consideration by a licensing sub-committee has been considered before the High Court where remedial measures (such as the imposition of additional conditions) were distinguished from legitimate deterrent (punitive) measures such as revocation.

4.2 *R (Bassetlaw District Council) v Worksop Magistrates' Court; [2008] WLR (D) 350.* Issues relevant to the case before today's sub-committee which were considered in the *Bassetlaw* judgement included whether a licensing authority was restricted to remedial action (as opposed to punitive action such as revocation); and **the precedence of wider considerations than those relating to an individual holder of a premises licence** when certain criminal activities (as specified in the Guidance) took place.

4.3 It specifically examined (and set aside in the case of 'certain activities') those parts of the Guidance now contained within paragraph 11.20 and 11.23, viz.

In deciding which of these powers to invoke, it is expected that licensing authorities should so far as possible seek to establish the cause or causes of the concerns that the representations identify. The remedial action taken should generally be directed at these causes and should always be no more than an appropriate and proportionate response to address the causes of concern that instigated the review.

*However, it will always be important that any detrimental financial impact that may result from a licensing authority's decision is appropriate and proportionate to the **promotion of the licensing objectives and for the prevention of illegal working in licensed premises.***

4.4 In her judgement, Mrs Justice Slade stated (at 32.1 & 33.1 of the citation):

"Where criminal activity is applicable, as here, wider considerations come into play and the furtherance of the licensing objective engaged includes the prevention of crime. In those circumstances, deterrence, in my judgment, is an appropriate objective and one contemplated by the guidance issued by the Secretary of State. (...) However, in my judgment deterrence is an appropriate consideration when the paragraphs specifically directed to dealing with reviews where there has been activity in connection with crime are applicable."

4.5 *East Lindsey District Council v Abu Hanif (Trading as Zara's Restaurant and Takeaway), [2016] EWHC 1265 (Admin)*

This is a recent High Court decision (published April 2016) which has established that in considering whether the licensing objectives may be undermined one should look at what is likely to happen in the future.

4.6 The case reaffirms the principle that responsible authorities need not wait for the licensing objectives to actually be undermined; that crucially in considering whether the crime prevention objective has been engaged or likely to be engaged a prospective consideration (i.e. what is likely to happen in the future) of what is warranted is a key factor. It also reaffirmed the case of *Bassetlaw* in concluding that deterrence is a legitimate consideration of a sub-committee.

Mr Justice Jay stated: *"The question was not whether the respondent had been found guilty of criminal offences before a relevant tribunal, but whether revocation of his licence was appropriate and proportionate in the light of the salient licensing objectives, namely the prevention of crime and disorder. This requires a much broader approach to the issue than the mere identification of criminal convictions. It is in part retrospective, in as much as antecedent facts will usually impact on the statutory question, but importantly the prevention of crime and disorder requires a prospective consideration of what is warranted in the public interest, having regard to the twin considerations of prevention and deterrence. In any event, I agree with Mr Kolvin that criminal convictions are not required."* (Paragraph 18)

Mr Justice Jay added: *"Having regard in particular to the twin requirements of prevention and deterrence, there was in my judgment only one answer to this case. The respondent exploited a vulnerable individual from his community by acting in plain, albeit covert, breach of the criminal law. In my view his licence should be revoked."* (Paragraph 23)

1. I am the Licensing Manager for Essex Police and have the powers of a constable under various statutes by virtue of a designation made by the Chief Constable under section 38 Police Reform Act 2002 (as amended by s38 and Schedule 10 Policing & Crime Act 2017). Amongst those powers of a constable are powers of entry under section 179 and 180 Licensing Act 2003 and powers of seizure under section 19 Police and Criminal Evidence Act 1984.
2. On Friday 15th March 2019 I was on duty and engaged in an enforcement operation with fellow policing licensing personnel and authorised officers of the Brentwood Borough Council's Licensing team.
3. As part of this enforcement operation it was determined that the Jehan Curry Hut Indian restaurant (situated at 19, South Street, Brentwood) would be visited. The premises had recently been subject to a licence transfer application (to take immediate effect) to the Brentwood Curry Hut Ltd, the sole director of which is Md Abdul LATFIF. Mr LATIF had until recently been the licence holder, DPS and operator of another Indian restaurant in the Brentwood area (Chutney Joe's) at which a number of illegal workers had been discovered. For that reason Essex Police was objecting to the transfer of the licence and a licensing hearing was to be held. At the time of submission of the transfer application an application had also been made to change the DPS to a named individual and this

application had also been objected to by Essex Police. As a consequence of that objection the premises licence holder (Md Abdul LATIF on behalf of the Brentwood Curry Hut Ltd) had withdrawn the application and as of 15th March 2019 no DPS was nominated.

4. It is unlawful to sell alcohol from a licensed premises when no DPS is specified. To ensure that the licence holder was aware of this on the 11th March 2019 when the revised (transferred licence) was issued by Brentwood Borough Council's Licensing Team, it was issued with the wording "NO SALE OF ALCOHOL MAY BE MADE UNTIL A DPS HAS BEEN ASSIGNED". This was in capitals, in bold type and in a red coloured font on the actual licence. On the same day an e-mail had been sent to the premises licence holder (to the e-mail address specified as belonging to the licence holder on the transfer application) by Mr Leonard of the council's licensing team. This e-mail expressly pointed out "*I remind you that NO supply of alcohol may be made under this licence a) at a time when there is no designated premises supervisor in respect of it or, b) at a time when the designated premises supervisor does not hold a personal licence or his personal licence is suspended.*" That text was in bold type and the text highlighted in yellow.
5. Mr Leonard confirmed that no application for a DPS designation had been made to the council since the 11th March and at the time of the proposed operation no DPS was in place.
6. On the outside of the premises and in smallish text was an A4 sized paper notice. The gist of the notice was that the premises could not sell alcohol because of a 'licensing error' but customers could bring their own drink. The size, text and positioning of the notice was, in my opinion, unlikely to attract the attention of potential patrons.
7. At around 9.45 p.m. on the 15th March, together with Mr Leonard, I entered the Jehan Curry Hut to check that the sale of alcohol etc. was not taking place. On entering the premises I would describe the layout of the premises as a corridor to the immediate right, a bar area directly ahead with a seating/dining area to the immediate left which itself led on to other rooms (and I assume the kitchen).

8. On our entry I immediately saw the bar area was fully stocked with various alcoholic drinks, many of which were mounted on the wall with optics attached. On the wall to the left of the bar was a rack full of (full) wine bottles.
9. The bar was a traditional bar area, with a raised area separating the staff side from the customer side. Standing in the bar was a relatively young women dressed smartly in a white blouse and to me appeared to be a bar tender. She was dressed differently to two Asian males who wore traditional waiting staff clothing consisting of white shirt and black trousers, back waistcoat, black tie and black shoes.
10. Mr Leonard and myself introduced ourselves and produced our photo identity documents. I expressed surprise to the two staff that there was alcohol on the premises as they were not permitted to sell alcohol and the (seemingly) elder of the two stated something akin to "we know. It was there when we took over". I asked if either was the manager of the premises and was told they were not. I asked where the owner was and the reply suggested he was not. I then pointed out that it was an offence to display alcohol where its sale would be unauthorised under the Licensing Act and asked to inspect the bar area which I was allowed to do. As I moved to do so the 'bar tender' vacated the area and I then saw another notice at the bar concerning no alcohol sales – however this was displayed to the area in front of the bar where the majority of patrons would not visit.
11. I took a couple of photos of the bar area before inspecting the wine racks I had seen. These had several bottles of wine amongst which were bottles of Euca Hill, a Shiraz with 13.5% ABV.
12. I was now aware that one of the two waiting staff must have gone toward the kitchen as just as I was taking photographs of this wine I saw an older Asian male standing close by. I introduced myself and asked if he was in charge. He said he was and when I asked his name he stated it was Mr LATIF. I queried if he was Mr Abdul LATIF the licence holder and he confirmed this.
13. I pointed out that the premises was not allowed to sell alcohol at the current time. This was acknowledged by Mr LATIF who made reference to the A4 notices. I then pointed

out that to display alcohol for sale when the sale would be unauthorised was illegal. Mr LATIF acknowledged this but stated they were not selling alcohol. I in turn explained he should not be displaying the alcohol and this was an example of undermining the licensing objectives and would form further police evidence for the upcoming licensing hearing concerning the transfer of the licence to his company. I also explained that it was an offence to store alcohol for sale in such circumstances and that I could seize the alcohol as evidence. However I informed him that I expected the alcohol to be immediately withdrawn from display and I would endeavour to see whether the local policing team could attend the next evening to check this had been done. Mr LATIF promised to remove the alcohol.

14. I was about to leave the premises when I noticed all of the tables in the restaurant appeared to have drinks menus stood upright on them. I walked over to the nearest table and picked up a standard sized drinks menu entitled "Wine & Drinks Menu". I opened this menu and could see it was advertising wines and beer by the bottle. I held this up to Mr LATIF and asked if he was not selling alcohol, why were drinks menus on each table. His reply was that "they look good on the tables". I took a photo of the menu
15. I told Mr LATIF that the evidence suggested he was selling alcohol illegally and in any event he was illegally displaying it, that I would refer to this in the upcoming hearing and a prosecution might be considered. I asked he remove the menus from the tables and I then left the premises with Mr Leonard.
16. Having gone outside I checked my photos and realised the image of the menu was blurred. Within a few moments I again entered the premises, together with police licensing officer Mrs Cooper. The menus were no longer on the tables but had been gathered up close to the bar area and I asked one of the waiting staff if I could take one from the premises; one of them directed me to a pile of menus and allowed me to take one. We then left the premises. I subsequently took a photocopy of the menu.
17. I produce a photograph of the bar area (ref GA/1), a close up of various whiskys on display in the bar area (ref GA/2), a picture of the wine rack (ref GA/3), a close up of a bottle of wine displayed in the wine rack (ref GA/4) and a photocopy of part of the Wine & Drinks Menu (ref GA/5).
