Report of: Paul Adams – Principal Licensing Officer

This report is: Public

1. Executive Summary

- 1.1 This report provides information of an application for a new premises licence in respect of **236 Hutton Road, Shenfield CM15 8PA**.
- 1.2 Members are requested to determine the application having regard to the operating schedule, the representations received, the Council's Statement of Licensing Policy and the four Licensing objectives.

2. Recommendation

- 2.1 Each application must be considered on its individual merits and, therefore, no recommendations may be made. However, the available options are:
 - i) To grant the application in full on the terms and conditions contained in the operating schedule along with any applicable mandatory conditions;
 - ii) To grant the application, modified to such extent as considered appropriate in order to satisfy any relevant representations and to promote the licensing objectives; or

3. Introduction and Background

3.2 An appropriate authorisation is either, a premises licence, a club premises certificate or a Temporary Event Notice.

The operating schedule of the application contains details of the activities applied for and the control measures that the applicant will have in place in order to promote these objectives. Such measures will, where appropriate, be converted into enforceable conditions on any licence issued. Those pertaining to this particular application are reproduced in paragraphs 4 and 5 of this report.

3.4 The four licensing objectives are;

- Prevention of crime and disorder
- Prevention of public nuisance
- Public safety
- Protection of children from harm

No objective carries any more weight than any other.

5. Reasons for Recommendation

If Members are minded to grant the application:

- 5.1 Any application granted will automatically contain conditions from paragraph 4. Additional conditions may be added by members if granting and considered appropriate for the promotion of the licensing objectives.

All such proposals will be converted into conditions on a licence if granted.

6. Consultation

6. The regulations of the Licensing Act 2003 outline the requirements for the advertising of applications. These require the applicant to advertise the application:

(b) For a period of no less than 28 consecutive days starting on the day after the day on which the application is given to the relevant licensing authority or display a notice ... prominently at or on the premises to which the application relates where it can be conveniently read from the exterior of the premises...

(c) By publishing a notice in a local newspaper ... on at least one occasion during the period of ten working days starting on the day after the day on which the application was given to the relevant licensing authority.

6.2 Regulations also require that the applicant give a copy of the application to each responsible authority on the same day upon which it is given to the licensing authority.

6.3 There are no other statutory requirements for advertising of any application, however, the relevant Ward Councillors are notified and details of all applications received along with the time limit for receipt of representations is posted on the Council website.

6.4 Officers from the licensing authority have made checks on the display of notices on several occasions. On each visit a single blue advertising notice was correctly displayed in the front window.

6.5 There have been 2 valid representations received from the Responsible Authorities. Representations from Essex Police (Licensing) and the Environmental Health (Noise Pollution) are attached at **Appendix 2**.

6.6 There have been 8 valid representations received from interested parties. Two residents, one living above the premises and one living behind, have concerns relating to crime and disorder, public nuisance & public safety. There are also 6 representations submitted in support of a new restaurant. It appears that an anonymous flyer was posted urging residents to oppose this application and a copy has been attached by one of the supporters. These representations are attached at **Appendix 3**.

6.7 One representation was deemed invalid as they were not compliant with the regulations in accordance with the consultation period.

6.8 An OS Street Map and frontage images to better identify the location are attached at **Appendix 4**.

7. Statement of Licensing Policy

7.1 There are no specific issues arising from this application in relation to the Councils' Statement of Licensing Policy.

7.2 The following extracts from the Councils' Statement of Licensing Policy are brought to the general attention of Members:

(1.4) Nothing in this Statement of Policy should be regarded or interpreted as an indication that any requirement of law may be overridden; each application will be considered and treated on its own merits.

(7.1) When considering applications, the Licensing Authority will have regard to:-

- (a) The Licensing Act 2003, as amended and the licensing objectives.*
- (b) Government guidance issued under Section 182 of the Licensing Act 2003, as amended.*
- (c) Any supporting regulations.*
- (d) This Statement of Licensing Policy.*

(9.1) Licensing is about the appropriate control of licensed premises, qualifying clubs, temporary events and the people who manage them or hold personal licences within the terms of the 2003 Act. Where relevant representations are made, the Licensing Authority will seek to make objective judgments as to whether conditions may need to be attached to various authorisations in order to secure achievement of the licensing objectives. Any conditions arising from the operating schedule or as a result of representations will primarily focus on the direct impact of the activities taking place at licensed premises on those attending the premises and members of the public living, working or otherwise engaged in normal activity in the area concerned. These conditions will cover matters that are within the control of individual licensees and others with relevant responsibilities.

(9.2) The Licensing Authority acknowledges that the licensing function cannot be used for the general control of nuisance or the anti-social behaviour of individuals once they are beyond the direct control of the licensee of any premises concerned. However, other mechanisms may be utilised, where appropriate, to tackle unruly or unlawful behaviour of consumers when beyond the control of the individual, club or business holding the licence, certificate or authorisation concerned. These include:

- (a) Planning controls.*
- (b) Positive measures to create a safe and clean town environment in partnership with local businesses, transport operators and other services within the Local Authority.*
- (c) The provision of CCTV surveillance in town centres, ample taxi ranks, street cleaning and litter patrols.*

(d) Powers of Local Authorities to restrict consumption of intoxicating liquor in designated public places other than Premises licensed for 'on' sales.

(e) Police enforcement of the general law concerning disorder and anti-social behaviour, including the issuing of fixed penalty notices.

(f) The prosecution of any personal licence holder or member of staff at such premises who is selling alcohol to people who are drunk.

(g) The confiscation of alcohol from children and adults in designated areas.

(h) The power of the Police, other responsible authorities or a local resident or business to seek a review of the licence or certificate in question.

(i) Action under the Violent Crime Reduction Act 2006.

(11.1) There can be confusion about the difference between “need” and the “cumulative impact” of premises on the licensing objectives. “Need” concerns the commercial demand for another pub or restaurant or hotel. This is not a matter for a licensing authority in discharging its licensing functions or for its Statement of Licensing Policy.

*(16.6) The Licensing Authority considers the effective and responsible management of the premises, instruction, training and supervision of staff and the adoption of best practice to be amongst the most essential control measures for the achievement of all the licensing objectives. **For this reason, these elements should be specifically considered and addressed within an applicant's operating schedule.***

8. Relevant Sections of the Secretary of State's Guidance

8.1 The following extract of the section 182 guidance as published by the Secretary of State are brought to the attention of Members.

(9.41) Licensing authorities are best placed to determine what actions are appropriate for the promotion of the licensing objectives in their areas. All licensing determinations should be considered on a case-by-case basis. They should take into account any representations or objections that have been received from responsible authorities or other persons, and representations made by the applicant or premises user as the case may be.

(9.42) The authority's determination should be evidence-based, justified as being appropriate for the promotion of the licensing objectives and proportionate to what it is intended to achieve.

(9.43) Determination of whether an action or step is appropriate for the promotion of the licensing objectives requires an assessment of what action or step would be suitable to achieve that end. Whilst this does not therefore require a licensing authority to decide that no lesser step will achieve the aim, the authority should aim to consider the potential burden

that the condition would impose on the premises licence holder (such as the financial burden due to restrictions on licensable activities) as well as the potential benefit in terms of the promotion of the licensing objectives. However, it is imperative that the authority ensures that the factors which form the basis of its determination are limited to consideration of the promotion of the objectives and nothing outside those parameters. As with the consideration of licence variations, the licensing authority should consider wider issues such as other conditions already in place to mitigate potential negative impact on the promotion of the licensing objectives and the track record of the business. Further advice on determining what is appropriate when imposing conditions on a licence or certificate is provided in Chapter 10. The licensing authority is expected to come to its determination based on an assessment of the evidence on both the risks and benefits either for or against making the determination.

9. Legal Considerations

- 9.1 Conditions may be attached to the grant of any licence, the hours or activities may be amended as appropriate, or in some cases the application may be refused. However, any action taken must be appropriate and relevant to promotion of the licensing objectives having considered the full details of the application and representations including testimony from any interested party present at the hearing.
- 9.2 The justification behind any decision to grant or refuse a licence application or the attachment of conditions, or variation of terms applied for must be recorded and given to the applicant and any person that has made representation.
- 9.3 There is a right of appeal to Magistrates Court by any person or party aggrieved by any decision made by the Sub-Committee.

Dear Mr Leonard,

LICENSING ACT 2003 – GRANT OF PREMISES LICENCE SECTION 17

NEW PREMISE: 236 Hutton Road, Shenfield
DPS: Holly MATTHEWS
APPLICANT: Anthony David Kinnear via Dadds LLP

Further to the above application for the Grant of a Premises Licence received on 23rd August 2016. I write to inform you that Essex Police make representations under prevention of crime & disorder, prevention of public nuisance, public safety, and protection of children from harm.

The premises are on a busy highway with residential properties above. Essex Police feel that the use of the outside area is likely to have an impact on both of these factors and feels some of the proposed measures should have amended wording and additional measures should be imposed to regulate the management of these areas. These are listed on the attached as recommended conditions 1 to 10.

Furthermore, the application specifies that the premises are to be a restaurant and bar. As such we feel that an appropriate age verification policy should be adopted with specific reference to persons 16 and 17 years old taking a table meal with persons aged 18 years and over. Essex Police seek the condition wording on the attached as recommended conditions 11 to 14.

Please advise when the Licensing Panel will be meeting to hear this so I can be in attendance.

Yours sincerely,

Dear Sir/Madam,

Application for a Premises Licence - Licensing Act 2003

Re: 236 Hutton Road, Shenfield, Essex, CM15 8PA

I refer to the above application for a new premises licence received by the pollution team on the 30th August 2016.

I wish to make representation to the Licensing Authority in respect of this application, as in my opinion the application contains insufficient information to demonstrate that the licensing objective of prevention of public nuisance will be achieved.

Shenfield High Street is generally busy during the day and early evenings with shoppers and commuters arriving from the train station. The area becomes very quiet at night, especially during the week, with local traffic and arriving trains being the main noise source.

1) The restaurant has several residential properties situated above it and this Service has received noise complaints about other similarly positioned properties with similar hours as requested in this application. The complaints are regarding noise from customers and music late at night. The premises has been put forward as a restaurant and yet they are requesting entertainment till midnight which is contrary to their planning consent which does not allow amplified sound besides background music. Their planning permission also restricts their hours to 08:00 to 23:00 Sun-Thurs and 08:00 to 23:30 on Fri-Sat with no amplified sound allowed and this service agrees that this permission is likely to protect the amenities of the local residents.

I consider that the playing of live or recorded music has the potential to cause public nuisance, having regard to the late opening hours of the premises. I would recommend that Amplified sound should not be allowed in this restaurant besides background music, if adequate insulation can be demonstrated such that no background music can be heard inside the above flats.

2) The applicant is applying for the following:

Performance of Dance, Anything Similar, Live Music and Recorded Music

Late Night Refreshment

Monday 23:00 - 23:30
Tuesday 23:00 - 23:30
Wednesday 23:00 - 23:30
Thursday 23:00 - 23:30
Friday 23:00 - 01:00
Saturday 23:00 - 01:00
Sunday 23:00 - 23:30

The hours the restaurant wishes to be open to the public are considered to be too late as well as being much later than their planning consent and likely to result in disturbance to residents surrounding the premises caused by customers leaving the premises in the early hours of the morning and noise emanating directly from the premises.

The above concerns could be addressed by restricting the hours as follows:

The supply of alcohol should be limited to:

08.00 am to 22:30 pm	Sunday to Thursday
08.00 am to 23:00 pm	Friday to Saturday

The hours that the premises are open to the public limited to:

08.00 am to 23:00 pm	Sunday to Thursday
08.00 am to 23:30 pm	Fridays and Saturdays

3) The application plan does not include the outside sitting area to the front of the premises, which it is assumed could continue to be used for the consumption of alcohol until the premises closes.

There are no details provided in the operating schedule as to additional steps proposed to prevent public nuisance from customers using the outdoor area late at night.

As residential properties are located above the premises, it is likely that the late hours of use of the restaurant will encourage the use of this outside area which could disturb residents further. The schedule of conditions submitted does not specify any steps that will be taken to prevent public nuisance other than to close the doors/windows of the premises'

It is therefore my opinion that in the absence of suitable measures within the operating schedule to fulfil the licensing objective with regard to public nuisance the Licensing Authority should consider conditions to control noise from the external area of the premises by ensuring the area is cleared of all customers by 22:00 hours.

4) In addition to the late trading hours, it is also proposed that on twenty occasions during the year an additional hour should be permitted, allowing the premises to be open till 02:30 in the morning. They are also allowed to apply for TENS for 21 days so they have the potential to open till 02:30 or later on 41 days per year, almost once a week. This is considered to have an enormous potential for general nuisance to the above residents from music, people exiting and entering the premises at such a late hour as well as smoking and congregating outside and general noise associated with this premises.

This Service would recommend that a TENS is used for special occasions and no fixed extended hours should be allowed besides New Years Eve where they could remain open until the start of the permitted hours on the following day.

If you have any queries, or wish to discuss the above, please contact Ms H. Ziervogel at these offices.

Yours faithfully,

H Ziervogel

LETTER DELIVERED BY HAND

Licensing Authority
Brentwood Borough Council
Town Hall
Ingrave Road
Brentwood
Essex
CM15 8AY

Dear Sirs

Licensing Application: Anthony Kinnear, 236 Hutton Road, Shenfield, CM15 8PA

I am making representation to have the above licensing application refused. My objections are in line with the four licensing objectives listed on your website and a brief history of my personal experiences since residing in the flat immediately above the premises of 234 Hutton Road (HWB) where Mr. Anthony Kinnear is the current licensee.

Prevention of crime and disorder

Brentwood police can provide evidence of when they have been called out to incidents involving customers of HWB. They were certainly in attendance recently when a fight broke out on the pavement immediately outside HWB at approximately 19.30. Those involved were all customers of HWB. The police will have a record of this. Passing pedestrians and local people arriving back from their work in London witnessed the fracas and some were actually filming the incident on their phones. This took place on a summer evening when many families were returning from London with their children.

The arrival at the front of the premises of Brian Kinnear (father of Mr. Anthony Kinnear) coincided with Brentwood Police being in attendance and dealing with the incident. Leaning against the vehicle he had just alighted, Brian Kinnear looked up and, in his drunken state, began hurling an onslaught of filthy language and abuse at my bedroom window, two floors above HWB. He doubtless assumed it was me looking down at him. In fact, it was my 25 year old daughter, who had heard the commotion and looked out to see what was happening. It was she that was subjected to his disgusting rant and filthy language. It left her shaken and frightened. This is totally unacceptable behaviour. I would add that Brian Kinnear is in regular attendance at HWB.

Mr. Brian Kinnear has approached and challenged me on two separate occasions using threatening behaviour and obscene language. He was clearly under the influence of alcohol and I know this because both confrontations were of an "in your face" nature. One occasion was when I had arrived home from working a shift one evening at 11pm. On exiting my vehicle, which is parked at the rear of the premises in an allotted space, Brian Kinnear suddenly appeared in the darkness and stood literally inches away from me, yelling and shouting abuse. He caught me unawares and I was terrified. He had clearly targeted me and the reason for the confrontation was because he had by then been informed by the Brentwood Environmental department that I had reported the extreme noise levels of the music being played in HWB and the fact that alcohol was being served beyond HWB's already extended licensing hours. The second occasion took place in broad daylight in front of witnesses, some of whom asked if I was okay.

It is on record that I have filed a report to Brentwood Police for harassment received from both Anthony Kinnear and Brian Kinnear. This harassment resulted from my speaking to the Council in the past about both of the above issues. Initially, I had tried to mediate with both to explain how intrusive the noise levels were, but to no avail; nothing changed, in fact the noise levels became unbearable, which is when I enlisted the help of the Brentwood Environmental department.

Some of my neighbours feel exactly as I do, but are frightened to speak out for fear they may suffer a similar experience to mine (one exception is the tenant above 236 Hutton Road who is a friend of Brian Kinnear).

Public Safety

Customers are allowed to leave the premises with opened bottles of alcohol and glasses of alcohol. The back doors of the premises often remain open with customers drinking outside of the premises.

Public Nuisance

- The volume of the music played is totally off the Richter scale. As mentioned, the Brentwood Environmental department will have precise measurements they have taken of this which I am sure you are able to access.
- On one occasion, the licensee had sold tickets for a boxing screening taking place at 04.00 am on a Sunday morning in HWB. Customers were leaving HWB at 05.00 clearly intoxicated and shouting. They were also drinking at the back of HWB during this time. The timing of this event was clearly way OUTSIDE the legal licensing hours of HWB.
- Regular anti-social behaviour and loud noise from customers drinking outside the front and at the rear of the premises continues. My sleep has been regularly disturbed by noisy customers leaving the premises of HWB at 03.00 in the morning. This is on a week day, when licence restrictions are 11.30pm - again well outside the legal licensing hours laid down.
- Customers of HWB have urinated openly at the rear of the building and at the side where the bicycle ramps are located. One recent Sunday afternoon, I returned to my flat from walking my dog with a member of my family to witness a customer of HWB urinating. This was happening in blatant view of passing public. This could have been witnessed by a small child. A total disgrace.
- There is already a constant problem with cars being parked in the allotted spaces reserved for the tenants of the flats immediately above HWB and the other shops. Further customer traffic from a second bar would exacerbate this problem.

Protect of children from harm

I would ask the questions:

- Do we really want to encourage more of the type of unsavoury customer that already frequents HWB into the area?
- Do we want to subject adults and families passing these premises (and a second bar if a license were to be granted) to possibly viewing similar violent scenes in the future?

Seriously, do we really want more of this in Shenfield? I thought we had higher standards. I thought this was why people wanted to live here and bring up their families here?

When the previous Licensee was running these premises (Hollands), they did it professionally and well within the limits of the law. They adhered to all the licensing rules to the letter and had an eclectic mix of customers. Many decent people no longer entertain the idea of giving their patronage to this establishment as it has such a bad reputation.

I do not consider that Hutton Road in Shenfield needs yet another licensed bar that is able to serve alcohol and play music until 01.00 a.m. in the morning. We already have two wine bars, one public house (Hutton Junction) and several restaurants where alcohol and food may be purchased.

Should a licence for these premises be granted, who will be responsible for monitoring actions and events similar to those that I have described above? How are you going to protect and act in the best interests of the local community? Why would the Licensing authority want to further add to burden of the Brentwood Police, who already appear to be stretched to maximum capacity.

I doubt that many of the local residents of Shenfield even know about this proposed application from one small plastic covered piece of paper hanging from a post. I am totally convinced that the majority of residents in the immediate surrounding area would feel the same as I do if they were furnished with all of the details contained in this letter.

I object to this application in the strongest terms for all the reasons stated above. I am totally convinced that the granting of this licence application would be detrimental to the area and encourage further anti-social behaviour to take place.

I really hope that you take this representation very seriously and give it careful consideration. This is what the decent residents of Shenfield would expect from those charged with keeping law and order on our behalf. Brentwood Council, Essex Police and other related and responsible authorities and departments must take every precaution to ensure that the irresponsible licensee of HWB is NOT granted this license.

Yours faithfully

Sirs

I am writing with reference to 236 Hutton Road Shenfield CM15 8PA who has applied for an alcohol licence with live or recorded music for anything similar.

I object strongly to this. We already have a very busy high street and since I have lived here 28 years ago the noise and disruption down Hunter Avenue has increased tenfold.

I list my four objectives

- Prevention of Crime and disorder
- Public safety
- Prevention of public nuisance
- Protection of children from harm.

Regards

Subject: 236 HUTTON ROAD, SHENFIELD CM15 8PA - APPLICATION FOR A NEW PREMISES LICENCE

Dear Sharon,

Thank you for your letter regarding the application for a new premises licence at;

236 HUTTON ROAD, SHENFIELD CM15 8PA.

I note that you strongly object to this application and have cited the four licensing objectives;

- **Prevention of Crime and Disorder**
- **Public Safety**
- **Prevention of Public Nuisance**
- **Protection of Children from Harm**

Whilst you have correctly cited the four licensing objectives, you have not identified **why** you believe that the granting of this premises licence would undermine the promotion of these objectives. Therefore, I cannot accept your letter as a valid representation against this application **in its current format**.

In order for your representation to be deemed valid and accepted by this office, you will need to explain **why** and **how** you believe that the granting of this premises licence will undermine the promotion of the licensing objectives. You do not need to address all four of the licensing objectives but you **must** include at least **one**.

The consultation period for this application ends at midnight tomorrow, **Tuesday, 20th October 2016**. Any correspondence received after the closing date may not be accepted as a valid representation.

I am mindful that you are strongly opposed to this application and, as a long-standing resident within the community, wish the opportunity to have your say.

I hope that this information is of use to you.

If I can be of any further assistance please do not hesitate to contact me in the Licensing Office at Brentwood Town Hall on **01277 312523**.

Subject: FW: 236 HUTTON ROAD, SHENFIELD CM15 8PA - APPLICATION FOR A NEW PREMISES LICENCE

I am writing with reference to the above premise. I strongly object to this application and have cited the four licensing objectives;

- . **Prevention of Crime and Disorder** – With regards to this objection. I have lived in Hunter Avenue for the last 28 years and seen an increase of crime and disorder in my street. Over the last two years we have signs on lampposts regarding locking our premises due to a high amount of burglaries. We live very close to the main line Station and understand that there are for's and against's. On one particular occasion three young men, obviously drunk were loitering down my road and thought it very funny to snap off number plates from cars. They of course thought this hilarious and soon ran off laughing when I knocked on the window.
- . **Public Safety** – With regards to public safety, I have often seen people spilling out onto the pavements of both Lot and Hollands which can be intimidating late at night with people drinking too much, which of course with extended opening hours happens
- . **Prevention of Public Nuisance** – I can hear the music from Hollands quite clearly from my house at its directly behind. Usually on warm nights when windows are open but the thought of **LIVE** music fills me with dread. We are a small High Street right opposite the Station with easy access for people to travel into our town. We are not Brentwood High Street and by enlarging the current bar already there will cause more stress and aggravation for residents I am absolutely sure. We already have one **LARGE** bar that has been extended **THREE** times since it opened and now are getting Hollands wanting to follow suit
- . **Protection of Children from Harm**

Kind regards

Dear Sir,

I have lived at the above address for many years in fact I was here before Hollands Wine Bar opened

I have always found the Wine Bar to be well run - have never experienced any problems with noise or bad behaviour.

I am sure a fine dining restaurant at 236A would also be well run - managed. & would fit in to our pleasant High Street.

Yours faithfully

Dear Sirs,

Re: 236 Hutton Road, Shenfield – Liquor License Application

I have recently received a document that was put through my letterbox one evening last week, regarding an application for a liquor license at the above mentioned premises.

I was most surprised to have received it however particularly in the tone in which it was written. It seems as though the writer feels they are speaking on behalf of ALL the residents in the immediate and surrounding areas and seems to presume that everyone shares their views, yet this is the first time I have personally ever received notice of any such concerns regarding this new license application or any other establishments in Shenfield. As you will see from my address, I live just a few doors along and above from the application address, but have never been consulted on such matters.

Consequently, I would like this letter to be acknowledged and received as my full support for the new application and that I do not share the views of the opposed document writer/s whatsoever. On the contrary, my understanding is that the intention for the above mentioned premises is to produce a fine dining restaurant, something I feel will be a most welcome addition to Shenfield. Currently there is only one other such premises at this level, being Lot 75 which I frequent with my children fairly regularly largely as there is nowhere else close by of this nature. It would be very nice to have another option of somewhere else to eat and socialize in this way also bringing in more revenue to the area as well as creating more employment potentially for local people.

I would just like to add that since living in Shenfield (for just over 5 years now), I have never had an issue with any noise or disturbances from any of the establishments already here – indeed there is much more noise and disturbance from the traffic and trains. I have never heard of any issues of public safety and certainly have never had any concerns of safety for my children. Again on the contrary my children (both girls aged 8 and 10) enjoy eating out in Shenfield very much and are excited about the possibility of a new and alternative venue.

My opinion is that the opening of a fine dining restaurant will complement Shenfield and other existing premises, will potentially lift the profile and will only increase and improve the level of clientele in the area even further.

I hope that the license application will be looked upon favorably and on it's own merits and that what appears to be a very small minority's opinion will not influence it in any way or to it's detriment.

2
I know that the Council have lot's of experience in such matters and I am sure will welcome local people trying to grow, expand and improve their businesses and the area, as with the inclusion of the Crossrail in Shenfield making the town more accessible and cosmopolitan.

With Kind Regards

Yours faithfully

Dear Sirs,

236 Hutton Road, Shenfield-application for liquor licence

I received the attached anonymous circular through my letterbox late on Wednesday evening 14th September, exhorting me to protest against the granting of a licence to the above premises.

I am writing in support of the application by a family run business who seek to grow that business organically within the area, just as Lot 75 have grown organically.

Taking the example of Lot 75 they have worked hard to build their business from its original single shop unit wine bar, into a bar, restaurant and ice cream parlour serving a wide range of clientele, in other words a broad and balanced business.

It would seem to me that is exactly what the owners of Hollands Wine Bar are seeking to do, broaden the scope of their business model. In their case at 236 Hutton Road, they wish to operate mainly as a restaurant whilst also hosting private functions for families and businesses alike. It is a business maturing and growing organically.

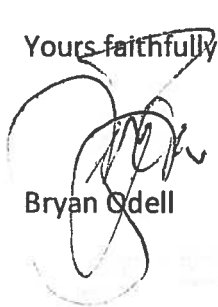

It is not, as the attached letter claims "another late night bar" it is an extension of an existing business with an emphasis on food and the more mature clientele that this will inevitably bring.

The attached letter states that "Residents in the immediate and surrounding areas are greatly concerned" I don't know where or how this information was gathered but the writer of the circular does seem to be somewhat exercised, and somehow personally angered.

In many years working in the licensed trade, my experience is that the licensing justices know what they are doing. They listen to the presentation from the applicant, hear the arguments against and make their decision on balance. They also have the power to make sure that licensees are committed to acting responsibly and in line with whatever the magistrates grant, for fear of being in front of the magistrates again!

This is a family business seeking to expand in a logical direction with an emphasis on food and for that reason I write to support their application.

Yours faithfully,

Bryan Odell

RESIDENTS IN THE IMMEDIATE AND SURROUNDING AREAS ARE GREATLY CONCERNED. THEY FEEL THAT SHENFIELD HAS SUFFICIENT LICENSED PREMISES AND RESTAURANTS PROVIDING THE SALE OF ALCOHOL AND THAT THE GRANTING OF THIS LICENSE WILL ENCOURAGE ANTI SOCIAL BEHAVIOUR, PUBLIC NUISANCE AND POSSIBLE CRIME.

The Licensing Authority, Brentwood Borough Council, Town Hall, Ingrave Road, Brentwood, CM15 8AY

- your daytime telephone number so that Council Officers can discuss the matter with you if necessary

Under the Licensing Act 2003, local residents and local businesses can raise representation about applications for new, and variation of, premises licences and club premises certificates where they feel the Four Licensing Objectives will not be met.

The four 'licensing objectives':

- the prevention of crime and disorder
- public safety
- the prevention of public nuisance
- the protection of children from harm.

PLEASE, PLEASE JOIN US IN DOING EVERYTHING TO ENSURE THAT SHENFIELD CONTINUES TO BE A PLACE THAT RESIDENTS CAN ENJOY AND WALK OUT WITH THEIR FAMILIES WITHOUT HAVING TO ENCOUNTER BAD LANGUAGE AND ANTI-SOCIAL BEHAVIOUR OF THE KIND THAT IS REPEATEDLY ALREADY ENCOUNTERED AT HWB
