Community, Health and Housing Committee

Co-option of Tenants Representatives

Report of: Angela Williams, Interim Head of Housing

Wards Affected: All wards

This report is: Public

1. Executive Summary

1.1 The report sets out proposals to co-opt representatives of Tenants Talkback into the Community, Health and Housing Committee for housing related items, in accordance with the Council constitution.

2. Recommendations

2.1 Tenant Talkback be invited to send two representatives to each meeting of the Community, Health and Housing Committee where housing items are to be discussed.

2.2 The representatives of Tenants Talkback be co-opted onto the committee for the duration of the consideration of these items, and have the right to speak, but not vote.

2.3 The Housing Manager be requested to arrange appropriate training of the representatives.

3. Introduction and Background

3.1 Members will be aware that Tenant Talkback is the group of Council tenants and leaseholders who meet regularly with housing staff and Councillors to discuss various subjects that affect them. This is made up of tenants and leaseholders from different estates and areas in the Borough.

3.2 The role of resident involvement in general, and Tenant Talkback’s place in it, has been through some changes in recent years, with the longstanding Chair stepping down from this role and the Housing department embarking on a review of the Tenant Talkback structure to ensure this was effective.
3.3 As a result of this, it has been agreed that Tenant Talkback will remain as our main consultative panel, gaining feedback from tenants and leaseholders on all policies, procedures and projects that the Housing department are working on.

3.4 A new Chair has recently been elected to lead the group, and members are keen to continue their work. A further review is now needed to include any relevant changes to the Tenant Participation Compact and respective constitutions.

3.5 The Compact includes the following paragraph:

Two representatives from the Talkback Group are invited to attend the Community, Health and Housing Committee in a non voting role. They are able to speak on housing related items at the Chair’s discretion.

3.6 In the previous operation of the Community, Health and Housing Committee this arrangement operated on an informal basis.

3.7 The Council’s updated Constitution was adopted at the Annual Council meeting on 15th May 2013 (Minute 11 refers) and further changes have been made subsequently.

4. Context

4.1 Following the adoption of the Council’s new constitution, the previous informal operation of Tenant Talkback’s right to speak at committee needs to be formalised.

4.2 The new constitution has anticipated such an arrangement in Part 4.1 of the Constitution (Council Procedure Rules) paragraph 25, which reads:

25. Co-option

Generally a committee, or a sub-committee may co-opt two persons onto the committee. Any persons so co-opted may speak but not vote.

4.3 In order to maintain the commitment of the Tenant Participation Compact, it is recommended that Tenant Talkback be invited to send two representatives to each meeting of the Community, Health and Housing Committee where housing related items are to be discussed. The representatives will be able to speak but not vote. It is recommended that their right to speak be on similar basis of other members of the committee.

4.4 It is important that Talkback Representatives receive a similar level of training to other committee members to ensure they are confident in the process of the operation of the committee.
4.5 It is anticipated that generally Tenant Talkback will send the same individuals to each meeting, which will be helpful to ensure consistency of understanding of the Committee process. However, it is also acknowledged that substitute representatives may also need to be sent.

4.6 Consequently, it is recommended that the Housing Manager arrange appropriate training for a number of Tenant Talkback representatives to ensure both the regular delegates and any substitutes have had the benefit of appropriate training.
