**Food Safety and Health and Safety Enforcement Service
Plans 2017/18**

Report of: *Mark Stanbury*

Wards Affected: *All*

This report is: *Public*

1. Executive Summary

- 1.1 Brentwood Borough Council must provide Service Plans for approval by Members with respect to its statutory obligations to enforce all relevant provisions of food safety and health and safety legislation within its area. These Service Plans identify how the service intends carrying out the proactive and reactive elements of inspections and investigations to ensure the continuing safety of both business employees and the public. It also includes measures taken to aid businesses in compliance such as the provision of training and the food hygiene rating scheme.

2. Recommendations

- 2.1 That the Food Safety and Health and Safety Enforcement Service Plans 2017/18 be approved by Members.**

3. Introduction and Background

Both Service Plans are required by legal Code of Practice produced by the Health and Safety Executive and Food Standards Agency. These documents dictate the measures necessary to ensure that all relevant businesses are inspected relative to risk. Such Service Plans are approved by Committee on an annual basis.

4. Issue, Options and Analysis of Options

- 4.1 Member approval is sought as these service plans (although a statutory requirement) impact significantly upon businesses. However, in following the requirements of the Governments' Better Regulation Agenda, this will be done in a transparent and accountable way having proper regard to the sensitivities of business and the local economy. There are no other options

available as an alternative to legal enforcement and compliance with regulatory codes.

5. Reasons for Recommendation

- 5.1 Members are required to approve these Plans as they directly affect the welfare of businesses, the public and visitors to the Borough. The Food Safety Plan ensures that high standards are maintained in commercial food production, and the Health and Safety Plan ensures the safety of local employees, the public and visitors to businesses.

6. Consultation

- 6.1 No consultation is required in advance of submission of these Plans to Committee.

7. References to Vision for Brentwood 2016-2019

- 7.1 With regard to the priority; 'Community and Health' these service plans support businesses by safe-guarding public safety through risk-based regulation as applied in accordance with the 'Regulators Code produced under the Governments' Better Regulation Agenda'.
- 7.2 With regard to the priority; 'Economic Development' the service plans support economic growth through improvements directly in Brentwood's businesses.
