The fund has £16,300 allocated for localism projects. Grants of up to £2,000 are available. - 3.2 The criteria that applicants need to meet for applications for the Brentwood Community Fund were provided in the information and guidance notes which were available to applicants and are attached in **Appendix A** of this report. This also includes the scoring matrix (**Appendix C**) that officers have used to score each of the applications.

- 3.3 The total number of applications to the Community Fund was 28 requesting a total of £50,264.96
- 3.4 A summary spreadsheet of officer recommendations and a copy of all of the application forms have been available to all Members, in each of the member rooms and Members have had the opportunity to provide comments on the applications to the Chair of Community, Health and Leisure Committee prior to the meeting.

4. Issue, Options and Analysis of Options

- 4.1 The criteria and expected outcomes have been simplified in order to encourage applications and to broaden the accessibility of funding as set out in **Appendix A** of this report.

5. Reasons for Recommendation

- 5.1 Each application has been subject to a robust, independent and transparent scoring process to ensure fairness in the allocation of funding (**Appendix C**). Once received the applications were scored by a panel of officers looking at the following key priorities:
- Evidence that the bid meets the criteria, the Council's priorities and expected outcomes
 - Evidence that the community has been involved in the development and implementation of the project
 - Evidence that the bid supports the promotion of volunteering and community participation
 - Evidence that the applicant has sought additional external funding or in-kind value (such as the use of volunteers) for the project
 - Evidence that the project is sustainable once the Council's contribution has ceased.
- 5.2 Once the applications were individually scored they were ranked by their score. The recommendations by officers of the projects that met the key priorities and the amount of funding that is recommended is attached in **Appendix B** of this report.
- 5.3 Those applications marked green are recommended to receive funding.
- 5.4 Notifications will be made to all those applicants that applied. Successful applicants will also have to agree to any terms stipulated within the conditions

of the grant being awarded. Successful applicants will also need to complete a self-monitoring report once their project has been completed.

- 5.5 Any unsuccessful applicants to the Community Fund will be offered the following support: Face to face meeting with the Partnership, Leisure and Funding Manager to review their prospective application; offered a funding training session via Brentwood Council for Voluntary Services which includes tips on submitting a good funding application. Members will also be encouraged to assist in this process; Organisations will also be signposted to the Open 4 Community on the Council's website to look at other sources of external funding to support their project if applicable.

6. Consultation

- 6.1 Consultation has been undertaken with previous applicants and as a result we have revised and simplified the application process and simplified the application form and supporting guidance notes. It was recognised that some organisations or individuals may have had difficulty understanding some terminology in respect of completing the funding application, and the requirements for information and match funding should be proportionate to amount of money being awarded.
- 6.2 Part of the monitoring form that is sent out to all successful candidates, also asks the organisation about the whole process and areas than can improved.

7. References to Corporate Plan
