2017/18 - Community Halls Viability				
<p>a) The Council should introduce the requirement that BLT supply monthly financial performance reports, with supporting evidence, which need to be reviewed by the responsible accountant and any variances or potential issues investigated. Dependent on the option selected the Council should ensure financial performance of the halls contract is monitored on a regular basis.</p> <p>b) As part of the current arrangements, or for the future monitoring of the halls, the Council should ensure that, as a minimum, an annual condition survey is undertaken to ensure the continual upkeep of the properties.</p> <p>c) The Council need to establish the financial position of BLT and whether they would be able to pay for the internal repairs if the halls stay under BLT management or if they are returned to the Council.</p>	High	Kim Anderson	<p>October 2017</p> <p>March 2019</p> <p>Ahead of the next Audit Committee</p>	<p>Previous update: There has been progress in the financial position there is a work in progress to agree a timeline and finding the best use of each Community Hall. The leases and management agreements have been extended. Requested BLT to prioritise their schedule of repairs and provide a revised price as they felt the prices quoted by the Council's valuer were excessive. Going forward the Council has agreed with the Trust that the Management Fee will no longer be payable.</p> <p><i>Internal Audit is awaiting evidence to confirm the above.</i></p>
<p>A project plan covering the community halls should be developed covering all the steps required to enable a comprehensive report to be produced for members to make their decision on the future management of the community halls. The plan should include nominated officers and set time lines for completion.</p> <p>The plan should include the options to be considered, what information is required to support options, i.e. due diligence exercise on finances and contracts currently in place, and the risks to the Council in delays, not doing anything and any mitigating actions already in place.</p>	Medium	Kim Anderson	<p>October 2017</p> <p>January 2019</p> <p>March 2019</p> <p>Ahead of the next Audit Committee</p>	<p><u>Previous update:</u> The financial position is better understood now and as mentioned above in confidence it is the intention to market test the halls to see if better use can be made of them. This is officer time dependent.</p> <p>A Preliminary Market Engagement Exercise has been launched (September) to identify if there is any 3rd party interest. Subject to any interest and Member agreement (a report will be going to 20 November PPR Committee) then a formal Invitation to Tender exercise will be launched in January 2019."</p> <p><i>Internal Audit is awaiting evidence to confirm the above.</i></p>
As part of the project plan the Council should include implementation plans clearly outlining the steps required and target dates. This needs to be monitored on a regular basis by the project lead and reported to the appropriate committees and management.
