

FEES & CHARGES SCHEDULE AND CHARGING DIRECTORIES FROM 2019/20 ONWARDS

Committee: Planning & Licensing  
Service Area: Licensing

Objectives/rationale of the fee/charge (e.g. Full cost recovery)

Full cost recovery where local set fees are permissible.

Proposed change in fee/charge from previous year (%)

Animal licensing fees have been increased to reflect the level of work involved with the new regulations.  
All other areas have seen minimal increase inline with cost recovery models.

Justification for revised charge (compared to previous year)

Different licensing regimes have different ways in which the fees are set, which is generally by one of three ways: A statutory set fee, a locally set fee that by statute has a maximum cap, and a locally set fee.

With the exception of statutory set fees any fee charged must be based on cost recovery, no profit can be made from the licence fee income.

Fees that are set by statute, cannot be varied. This relates to all fees under the Licensing Act 2003 and some fees under the Gambling Act 2005.

Fees that are capped can be set to a maximum limit. This relates to most fees under the Gambling Act 2005.

Fees that can be set locally, must be set on a cost recovery basis only, they cannot be used to generate an income to perform other functions of the Council. This relates to Taxis, Sex Establishments, Scrap Metal Dealers, Street Trading, MST and all Animal Welfare, tables and chairs and road closures.

What benchmarking has been undertaken to inform level of fee/charge (when and frequency)?

Benchmarking of fees across Essex has been undertaken as a comparison but should not be used as a basis to set a fee as each authority will have different costs, structures and process in place which could create differences in fees.

If significant change in charge, what consultation was undertaken with the general public?

No significant change proposed

Expected budgeted income

£266,000
