

FEES & CHARGES SCHEDULE AND CHARGING DIRECTORIES FROM 2021/22 ONWARDS

Committee: Planning & Licensing
Service Area: Licensing

Objectives/rationale of the fee/charge (e.g. Full cost recovery)

The primary objective of the charge is cost recovery. The level of charge also helps maintain the high level of service provision for the Borough.

Proposed change in fee/charge from previous year (%)

No increase proposed for this period, all fees are either statutory set or cost recovery.

Justification for revised charge (compared to previous year)

A full review of fees based on cost recovery will take place next year when the full impact of Covid 19 can be fully assessed.

What benchmarking has been undertaken to inform level of fee/charge (when and frequency)?

Fees have not been benchmarked against the other local authorities. The proposed Fees and charges are based on cost recovery where not a statutory charge.

If significant change in charge, what consultation was undertaken with the general public?

The charge for the DBS check has been separated from the application fee for driver licences to accommodate the need to use the DBS update service inline with recent taxi guidance. There is no actual change to the total fee.

Expected budgeted income

£266,000
