Dear Sir/Madam

My family have been customers of the Brave Nelson and my 3 children have been employees of Paul's at various times over the last 5 years. It is a lovely pub for the community and they always try and employ local people. The garden is kept in immaculate condition by the staff and is a lovely place to spend a few hours with friends and family. They have a great kids area and are very pet friendly so we can take our dog with us. They have spent all of lockdown making the pub better for their customers and we cant wait to use the outside bar in the summer as it may be difficult to go abroad.

Kind Regards

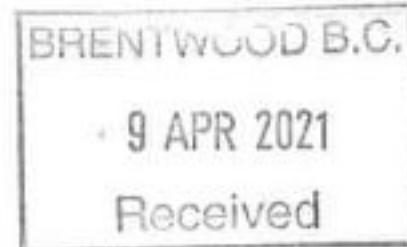

LISA LOMAS

TO WHOM IT MAY CONCERN

I am writing to make it known that myself and my family fully support the Brave Nelson pub. We have been customers of theirs for a number of years and are looking forward to when they re open and launch the new outside bar for the summer. The landlord puts a lot of money back into the business which is obvious to see for customers. It is a very friendly community pub which we feel as locals we are very lucky to have. I wish them all the success for the future.  
Your faithfully

Dear Sir/Madam

**Brave Nelson Pub**

I have lived in Nelson Close, which is opposite the Brave Nelson pub for 14 years, with my wife where we enjoy going to meet with our friends.

The Landlord has done an amazing job in keeping the pub going when many in the area have closed. It is obvious he puts money back into the pub as, in our opinion, it is in very good condition and he has transformed the garden into one of the best in Brentwood.

We have missed the community spirit the pub gives to the area during lockdown and look forward to it opening on 12 April where we will be able to see what Paul, the landlord and Kevin, one of his employees, has worked extremely hard to get the pub ready for opening.

We really feel that the outside bar will be an asset to the pub and the community.

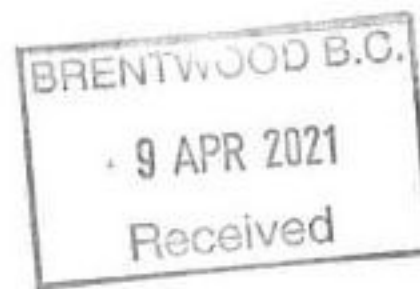

Yours faithfully

Dear Sir/Madam

My family and i live in South Drive. Our Garden backs onto The Brave Nelson garden. We are customers of The Brave Nelson and would like to show our support for the pub. It is a lovely family pub where our children can play and we can also take our dog. We have spent many afternoons enjoying the lovely pub garden. Its nice to have a lovely family local on our doorstep. We are looking forward to going back when they re open and looking forward to using the outside bar this summer.

Yours faithfully
