As a consequence of the Covid 19 pandemic we have built a outside bar to help my customers have a better experience at the brave nelson. we will have plenty of staff to monitor the garden to keep it clean and tidy and also to monitor the noise levels, which will not be more than usually for the time of year

b) The prevention of crime and disorder:

the pub is a family pub, however alcohol makes some people a little bit loader therefore my staff have been trained to deal with this and to make me aware with what's going on

c) Public safety:

All the staff have been trained with the highest standard to public safety and I pride myself on how least trouble I could count on one hand..

d) The prevention of public nuisance:

with the amount of staffing levels that we have in the garden that is clear to the customers with our new uniforms and 24 cctv cameras that covers all of the car park inside bar outside gardens and kids gardens and if people get to drunk then we do stop serving them and are asked to leave. however as I said before this is a family pub with children playing and having fun the amount of trouble is very very small.

e) The protection of children from harm:

Our children garden is protected by its own entrance via the main garden and can't be accessed via the car park. we do have swings and slides with a bouncy castle and a climbing frame that is monitored by my staff at all times.
