No detail is provided on this Temporary Event Notice (TEN) regarding the proposal beyond the term 'platinum jubilee party', the proposed dates and no control measures have been provided. Having spoken with the applicant, I understand the intention of the event is to have an outdoor bar, outdoor live band, potential for a marquee and for speakers to be used within the car park area of the premises. The applicant also advised he would be happy to employ the advice of a sound engineer and play music at an agreed level.

I have to object to this TEN for the following reasons:

1. I am concerned noise from a live band (or other amplified music played through speakers outdoors) will cause a disturbance to neighbouring properties.

2. Noise and public nuisance issues from previous outdoor events at this premises have caused complaints to be raised to Brentwood Borough Council.
3. I feel it would be unreasonable for an event such as this to disturb nearby residents for three days.
4. I have concerns about how the premises would prevent public nuisance (noise of up to 450 people arriving / leaving, parking issues, amplified music, dropping of litter, singing / shouting, people smoking and drinking outside, extending beyond the boundary of the premises).
