

Brentwood Community Fund

Information and Guidance Notes

April 2021

What is the Brentwood Community Fund?

The Brentwood Community Fund has been set up to give Brentwood's Communities the opportunity to promote local initiatives to improve the quality of life for local people living in the Borough. With the support of Axis, grants of up to £4,000 are available for applicants.

The Brentwood Community Fund will open for applications on **Thursday 1st April 2021** and will close on **Thursday 30th September 2021**.

Bids will be assessed and reported to a relevant committee in December 2021, when a decision on the allocation of funding will be made. Applicants should continue to check www.brentwood.gov.uk/funding to ascertain when a date for this committee has been set.

Who can Apply?

The Council is inviting bids from not for profit groups and organisations for a share of the cash on offer for local causes and projects that will support and improve the quality of life for local people and tackle the issues that they think are important. Schools and parish councils may apply.

All applications must benefit Brentwood's communities. Projects must be delivered in the Borough and take place between **1st January 2022 and 31st December 2022**.

Bids may be submitted by not for profit community and voluntary organisations, residents' / tenants' associations etc. Groups do not need to be formally constituted, but if that is the case, the Council will request invoices to be submitted to it directly and will settle these.

Funding should be for new projects. Previous applicants may apply if they are proposing a new project, however, priority will be given to those who have not received any previous funding from the Brentwood Community Fund or the Mental Health Small Grants Scheme. Applicants cannot apply to the Community Fund and the Mental Health Small Grant Scheme for the same project.

We also ask that you state on your application and in the budget template whether you have applied for, or have received funding from another department within the Council, whether it be confirmed or unconfirmed.

How much can I apply for?

The maximum amount that can be applied for is **£4,000**. There is no minimum amount. We would expect to see some form of match funding or inkind support for all applications. However, applicants should remember that inkind support includes volunteers' time in both coordinating

and delivering the project. Volunteer time in kind can be estimated at £10 per hour per person (as an average).

What will be funded?

In particular, we are looking at schemes which will deliver wider community benefits, rather than benefits to individual clubs or organisations and that will also deliver on the following priorities, actions and outcomes:
