EXECUTIVE SUMMARY

The Licensing Office has received an objection from the Environmental Health Manager, Mr David Carter, with regards to a Temporary Event Notice (TEN) submitted in relation to a private hire birthday party to be held at **Rumours, 110-112 Kings Road, Brentwood CM14 4EA** on Friday 29 July 2022 from 0000hrs-0130hrs. The objection relates to the prevention of public nuisance licensing objective.

1. RECOMMENDATIONS:

- 1.1** That the Sub-Committee
- a) Considers this report and appendices together with any oral submissions at the hearing and determines the application for the objection of a Temporary Event Notice.**

2. INTRODUCTION AND BACKGROUND:

- 2.1 Section 104 (2) Licensing Act 2003, allows the Police or Environmental Health to object to a Temporary Event Notice if they believe that allowing the premises to be used in accordance with a Temporary Event Notice will undermine one or more of the licensing objectives.
- 2.2 The licensing objectives are:
- The prevention of crime and disorder
 - Public safety
 - The prevention of public nuisance
 - The protection of children from harm.
- 2.3 On 21 June 2022 the Licensing Department received a Temporary Event Notice from Mr Robert Mead, the premises licence holder and the designated premises supervisor, for a private hire birthday party to be held at **Rumours, 110-112 Kings Road, Brentwood CM14 4EA** on Friday 29 July 2022 from 0000hrs-0130hrs. A copy of the TEN is attached at **Appendix A**.
- 2.4 A letter of acknowledgement of the TEN was sent on 21 February 2022 and a copy is attached at **Appendix B**.
- 2.5 The TEN relates to a private hire birthday party for a maximum number of 60 persons (including staff, organisers and performers) on Friday 29 July 2022 from 0000hrs-0130hrs for the purposes of the sale of alcohol and the provision of regulated entertainment. Upon receiving notification of the Environmental Health Manager's representation, Mr Mead responded with an email amending the terminal hour to 0100hrs instead of 0130hrs. This email is also attached at **Appendix A**.
- 2.6 The TEN, in its current submission without any written undertakings attached, effectively removes the conditions attached to the premises licence. A copy of the current premises licence, issued on 8 September 2021, together with a set of OS Street Maps and an image to better identify the location, is attached at **Appendix C**.
- 2.7 On 21 June 2022 the Licensing Department received an objection notice from the Environmental Health Manager, Mr David Carter, being satisfied that the allowing of the premises to be used in accordance with the notice would undermine the licensing objective of the prevention of public nuisance. Mr Carter is currently dealing with complaints against Rumours from a number of residents who are being affected by amplified music and noise coming from inside the premises and from customers outside the venue. He contends that an extension of licensable activities on a weekday evening is very likely to exacerbate matters. Mr Carter's representation is attached at **Appendix D**.

3. ISSUES, OPTIONS AND ANALYSIS OF OPTIONS:

- 3.1 The committee, after considering the objection application, will need to consider what action, if any, to take in order to ensure that the licensing objectives are complied with.
- 3.2 The power to impose conditions on a TEN is conferred by s106 Licensing Act 2003. This is not a general power to impose conditions and can be exercised only where temporary events are held on premises, or parts of premises, for which a premises licence or Club Premises Certificate is in force and an objection notice is given.
- 3.3 The following options are available to the Licensing Sub-Committee:
 - Allow the Temporary Event Notice being determined as applied for;
 - To impose conditions on the TEN being determined as conferred by s106 Licensing Act 2003.
 - To reject the Temporary Event Notice being determined as applied for and issue a Counter Notice, which will prevent the event from going ahead.
- 3.4 The decision made by the Committee will take immediate effect. There is a right of appeal for both the person who has given the TEN and for the relevant person that had submitted the objection notice. However, no appeal may be brought later than 5 working days before the day on which the event period specified in the TEN.
- 3.5 In determining this application for an objection of the Temporary Event Notice by Environmental Health, the Sub-Committee should have regard to the Council's Statement of Licensing Policy and to the guidance issued by the Secretary of State under s182 of the Licensing Act 2003.
- 3.6 The Sub-Committee are advised that the hearing is of a quasi-judicial nature and representations from all parties both written and verbal will form part of matters that are to be considered. Findings on issues of fact should be on the balance of probability.
- 3.7 The Sub-Committee are advised that the final decision should be based on the individual merits of the application and findings of fact made at the hearing

4. REASONS FOR RECOMMENDATION:

- 4.1 These are the options available to the Sub-Committee

5. CONSULTATION (including Overview and Scrutiny, if applicable)

- 5.1 Copies of both objections have been served on the premises user.

6. IMPACT ON CORPORATE POLICIES, PRIORITIES, PERFORMANCE AND COMMUNITY IMPACT

6.1 The Council has a duty under Section 17 of the Crime & Disorder Act 1998 to do all that it reasonably can to prevent:

- (a) crime and disorder in its area (including anti-social behaviour and other behaviour adversely affecting the local environment), and;
- (b) the misuse of drugs, alcohol and other substances in its areas.

In considering this duty the Sub-Committee should have due regard to the Licensing Act 2003, the Guidance issued by the Secretary of State under Section 182 of the Act and the Council's own Statement of Licensing Policy.

The Licensing Sub-Committee is of a quasi-judicial nature and whilst the Licensing Committee should ensure equality of treatment for all groups in the granting of licences, due regard should be given to its responsibility to promote the licensing objectives and its duties under Section 17 of the Crime and Disorder Act 1998. This includes full consideration of the need to prevent crime and disorder, ensure public safety, the prevention of public nuisance and the protection of children from harm. Where it finds that the need to comply with those duties is reasonably inferred, it must determine the application appropriately.
