Main Report

Introduction and Background

1. This report is intended to inform the Audit and Scrutiny Committee of progress made against the 2022/23 internal audit plan. It summarises the work internal audit have done, together with their assessment of the systems reviewed and the recommendations they have raised.
2. Their work complies with Public Sector Internal Audit Standards. As part of their audit approach, they have agreed terms of reference for each piece of work with the risk owner, identifying the headline and sub-risks, which have been covered as part of the assignment. This approach is designed to enable them to give assurance on the risk management and internal control processes in place to mitigate the risks identified.
3. The Audit Committee approved the 2022/23 outline summary audit plan in July 2022 and the full audit plan is being presented as a separate agenda item for the Audit and Scrutiny Committee meeting in September 2022. The progress against plan is reported at every Audit and Scrutiny Committee during 2022/23.

Issue, Options and Analysis of Options

4. No reports have been finalised since the last Committee and planning is in progress for the 2022/23 audits.
