

FEES & CHARGES SCHEDULE AND CHARGING DIRECTORIES FROM 2023/24 ONWARDS

Committee: Policy, Resources And Economic Development
Service Area: Parking

Objectives/rationale of the fee/charge (e.g. Full cost recovery)

The primary objective of the charge is cost recovery. The level of charge also helps maintain the high level of service provision for the Borough.

Proposed change in fee/charge from previous year (%)

Chargeable car parks: William Hunter Way, Chatham Way and the Town Hall Car Parks have increased in an effort to release capacity and divert to the multi-storey car park. Note that the 30 mins free parking still remains

Justification for revised charge (compared to previous year)

Increase reflects the increase to costs for supplying the service and influencing choice of car parks.
The charging period is also extended to 24 hours, Monday to Sunday for a number of the car parks; excluding the multi-storey car park.

What benchmarking has been undertaken to inform level of fee/charge (when and frequency)?

Fees have been benchmarked when the parking strategy was developed. The proposed Fees and charges are deemed average within the benchmarking exercise.

If significant change in charge, what consultation was undertaken with the general public?

Changes guided by Parking Strategy.

Expected budgeted income

£900k
