**POLICE OBJECTION NOTICE to a Temporary Event Notice (TEN)
Section 104 Licensing Act 2003**

Name of Premises User: Leonora Dunne (Bloc 40)

Address of Premises: First Floor, 40 High Street, Brentwood, CM14 4AJ

Date(s) required for TEN(s) 03 December 2022
04 December 2022

On 16 November 2022 Essex Police received the above Notice(s).

The Police are satisfied that the allowing the premises to be used in accordance with the notice(s) would undermine one or more of the licensing objectives.

The licensing objective(s) of relevance to this objection notice is the prevention of crime and disorder.

The reasons for being so satisfied are that following a licensing hearing, a number of conditions were agreed to assist with preventing crime and disorder at the premises. Allowing the event to take place under a TEN would essentially allow the premises to operate outside of the conditions on the premises licence.

I note that the application is to enable the addition of the licensable activity 'Late Night Refreshment' for the terminal two hours of the licence for these evenings, which in itself would not increase the risk of crime and disorder, but the TEN would

allow the conditions agreed to be put aside for these two hours which would increase the risks for crime and disorder.

This objection is made with a view to getting the conditions listed on the premises licence applied to the TEN for the event. This would satisfy Essex Police that all of the measures that have been put in place following the hearing will remain in effect for the entire event.

A copy of this objection notice has been served upon the premises user (or agent making application), the local Environmental Health Department and the relevant licensing authority.

On receipt of this notice the licensing authority will issue a 'Counter Notice' and provide further information on related procedures.

Yours sincerely

Simon Barnes
