Motion 1 – Received on 24th February 2023 @ 22:51

Mover: Cllr Barber

Seconder: Cllr Russell

We believe the ULEZ expansion to be a regressive tax inflicted upon the poorest motorists and is to the detriment of residents living here in Brentwood.

Working people do not choose to drive older, more polluting vehicles out of choice. Placing an additional financial burden on them with a £12.50 charge every time that they need to use their cars to travel into Greater London will hit hard working families with a tax grab by the Mayor of London that will result in real hardship for those who need to work, travel to hospital or visit and support friends and relatives living within the proposed expanded zone but are unable afford to replace their cars.

This Council opposes the expansion proposal and supports Essex County Council in not co-operating with the installation of any signage to support such an expansion.
