### **SUPPORTING INFORMATION**

#### **1.0 BACKGROUND INFORMATION**

##### **Introduction and Background**

1. At the Audit & Scrutiny Committee on the 24<sup>th</sup> January 2023 the Chair agreed that a report on the current Financial Contributions from s106 Agreements will be made to the 7<sup>th</sup> March 2023 committee. (Min 324 refers.)
2. A subsequent detailed report was made to the 7<sup>th</sup> March 2023 A&S Committee where members noted the report and agreed a regular report would be made

to future committees. (Min 374 refers.). The first report was made to the committee on the 11<sup>th</sup> July 2023. (Min 70 refers.).

### **Section 106 Obligations**

3. Under section 106 (s106) of the Town and Country Planning Act 1990 a Local Planning Authority (LPA) can seek obligations when it is considered that a development will have negative impacts that cannot be dealt with through conditions in the planning permission.
4. Set out below is the relevant regulation in respect of S106 obligations and what they can be used for from the CIL regulations 2010 - Regulation 122.
  - (1) This regulation applies where a relevant determination is made which results in planning permission being granted for development.
  - (2) A planning obligation may only constitute a reason for granting planning permission for the development if the obligation is
    - (a) necessary to make the development acceptable in planning terms;
    - (b) directly related to the development; and
    - (c) fairly and reasonably related in scale and kind to the development.
  - (3) In this regulation  
“planning obligation” means a planning obligation under section 106 of TCPA 1990 and includes a proposed planning obligation; and  
“relevant determination” means a determination made on or after 6th April 2010.
    - (a) under section 70, 76A or 77 of TCPA 1990(1) of an application for planning permission which is not an application to which section 73 of TCPA 1990 applies; or
    - (b) under section 79 of TCPA 1990(2) of an appeal where the application which gives rise to the appeal is not one to which section 73 of TCPA 1990 applies.
5. Currently interim arrangements are in place with the Strategic Director taking the lead with appropriate Officers from housing, open spaces and finance being responsible for monitoring contributions subject to a further review.
6. Subsequent to this interim measure discussions have been held with Senior Officers about the best approach for moving forwards to a more permanent

solution and have concluded that a review of all S106 processes and procedures will be undertaken.

7. Senior Officers have discussed this matter and due to the recent independent Planning Service Review, this will be dealt with through the Planning Improvement Plan and be completed by April 2024. When this review is complete a report will be made to a future Audit and Scrutiny Committee with its findings and recommendations.
8. Until the review is completed the current interim arrangements will continue.

The Public Sector Equality Duty applies to the Council when it makes decisions. The duty requires us to have regard to the need to:

- b) Advance equality of opportunity between people who share a protected characteristic and those who do not.
- c) Foster good relations between people who share a protected characteristic and those who do not, including tackling prejudice and promoting understanding.

The protected characteristics are age, disability, gender reassignment, pregnancy and maternity, marriage and civil partnership, race, religion or belief, gender, and
