Dear Mr Parling

I wish to nominate the Hutton Community Centre as a community asset under the following guidance of the Localism Act and request that it be added to the list of assets of community value:

Any form of written nomination submission should be acceptable, whether on-line, by email or a letter. Eligible voluntary and community bodies can make as many nominations as they wish.

The regulations set out what is required in a nomination, as follows:

- a description of the nominated building or land including its proposed boundaries;
- a statement of all the information which the nominator has with regard to the names of the current occupants of the land and the names and current or last- known addresses of all those holding a freehold or leasehold stake in the land;
- the nominator's reasons for thinking that the asset is of community value; and
- evidence that the nominator is eligible to make a community nomination.

My nomination therefore is as follows:

- The building nominated is the Hutton Community Centre and its ground as defined by those grounds with in its boundary fencing
- Brentwood Borough Council is the current owner of the land and buildings
- As a building which serves the local community and is currently operating as a community centre, with usage by the many groups within Hutton the centre is an asset of community value.
- This nomination is made on behalf of the Hutton Community Partnership which is a group defined under the act as:
 - [an unincorporated group of 21 or more people who appear on the local electoral register;](#)
