Your local Councillors

Your Councillors will be pleased to hear from you on both Ward and Borough concerns. To help you make contact with your Ward Councillors we show, on the Borough map here, the approximate Ward boundaries and the names, addresses, telephone numbers and email addresses of the Councillors for each Ward.

If you are not sure in which Ward you live, visit our website www.brentwood.gov.uk where you can search using your postcode.

Each Councillor is usually elected for a period of four years and must then either stand down or seek re-election. Elections are held each year, on the first Thursday in May, for a third of the seats. In the fourth year, (next falling in 2017) no Borough Council elections take place because of the County Council elections. As well as concerning themselves with all general matters affecting the Borough, Councillors are especially concerned with the activities of their own Ward and are directly accountable to the residents of that Ward.

Every resident of the Borough has at least one Councillor (three in most cases) to whom they can turn for help.
